## TIM'S TURN

We are one month into a new year and we've hit the ground running! May began with the conclusion of the Second Grade Basketball Clinic followed by the Installation Banquet. Fences and benches were installed at the Burrell and Lewis schools, and the bandstand was repaired and repainted.

Founder's Day, June 9th, will require plenty of Jaycee support. There will be a membership booth, glow item sales, the parade, and the second annual Chicken BBQ. If you have not been contacted for the BBQ yet, call Pat Washburn for details. This is a fun, highly visible project and many hands are needed if it is to run smoothly.

You should have received notice of the date change for the June GM. It will be held Wednesday, June 20th. On the agenda is the 1990-1991 Planned Year Budget. As part of the process of setting the direction of the chapter this is an important meeting and your involvement is crucial.

Included in this month's Wise Fox is a member survey. Please give it a few moments of your attention. This organization exists to serve you; the officers of the chapter work for you; the survey is another tool for you to help set our direction. Let us know what projects you feel should be changed, added, or dropped. This is your chapter; make it work for you!

Yours in Jaycees,

*Tim Kennedy*

WAYS AND MEANS  
JUNE 1990

It's a new year and we're starting out big with two projects at the fast approaching Founders' Day on June 9.

Tom Sawran and crew will be selling glow items at Booth Playground before the fireworks display at 9:30 p.m. The light sticks will be \$2.00 and the necklaces will be \$3.00. If you want to help, give Tom a call at 543-0087.

Pat Washburn is in charge of the Chicken BBQ which will also take place at the Booth Playground. They will be setting up in the early afternoon and begin cooking around 3:00 p.m. The menu will be the same as last year and prices are \$4.50 for a chicken dinner and \$2.00 for a child's hotdog plate. There will also be a senior citizen discount but the amount has not yet been decided upon. The chicken dinner will consist of a chicken breast, coleslaw, potato salad, and chips. The child's hot dog plate, available for under 7 only, will consist of a hot dog in a bun, potato salad and chips. The Jaycee Women will again be selling desserts and beverages near by. The committee is planning on serving 1500 dinners with a contingency plan in place for more if needed. This is a big project and Pat will need everyone's support to insure the success of it. If you can lend a hand call Pat at 285-5385.

Founders's Day has activities starting at 7:00 a.m. with a pancake breakfast at the Legion and continuing through the fireworks display at 9:30 p.m. We will also have a membership booth (Chris Nametz, 543-3544) on the common and a float (Fred Badger, 543-9447) in the parade so bring your whole family, stay the whole day and please help out when and where you can.

October may seem very far away but it's not too soon to be thinking about the Haunted House. Chris Ienello has volunteered to co-chair it with John Meyer from Mansfield and the Mansfield Jaycees hope to provide several more co-chairmen before too long. This is a "monster" project and I want to thank Chris for taking it on. He will need a strong commitment from this chapter, both for ideas and manpower. Start thinking about room ideas. It's lots of work, takes lots of time, but is lots of fun too!

See you at the next G.M.

INDIVIDUAL DEVELOPMENT  
MAY - JUNE

1. JC T-shirts: John Zarrella having left for Maine and his summer work has given this project to Bob Webster. The blue T shirts with gold lettering will be available at the General Meetings.
2. 30th Anniversary Banquet - G. Norwood and T. Sullivan  
We have not heard any of the details on this event which was initially brought up during Associates Night. This is the 30th year that the Foxboro Jaycees have existed and a large formal dinner/dance is being planned. We'll keep everyone informed.
3. Clambake 1990 - its that time again and we are looking for a Chairperson and/or a host for this year's event. Please see me if interested.

\*\*\*\*\* YOUTH Baseball \*\*\*\*\*

I want to use this space to formally apologize for an unfortunate misunderstanding that occurred during the last months. It had been reported that the Youth Baseball would not reimburse the league fee to a family that was in need whose kids would not be able to play baseball. This was not the case.

The Jaycee member who was to contact the Youth Baseball group had decided for a number of reasons that it would be easier if the Jaycees paid the family rather than the Youth Baseball Group. The upper management of Youth Baseball knew nothing of the matter until someone pointed out the report in The Wise Fox.

They were understandingly upset since they have always made it possible for any child in town to play ball regardless of the fee should the family not be able to pay it. This reputation had been expressed by many of the Jaycees at the General Meeting when the issue was first brought up.

We apologize for all misrepresentation of a group which for many years has served the Town of Foxboro so well.

### Jaycees stoke fires for barbecue

It's time to put away the maple syrup and bring on the barbecue sauce. The Foxboro Jaycees, having just completed their most successful Pancake Breakfast in sixteen years, have started planning the Founders Day Barbecue.

This year's event will be their second chicken barbecue in as many years. Last year they served over 700 chicken dinners and about 200 hot dog dinners. This year they are anticipating a much bigger crowd. According to project chairman Pat Washburn, a new layout will improve efficiency this time around. "Our biggest concern this year is to keep the line moving," Washburn says. "We will have more grills this year and two complete serving stations to keep things moving."

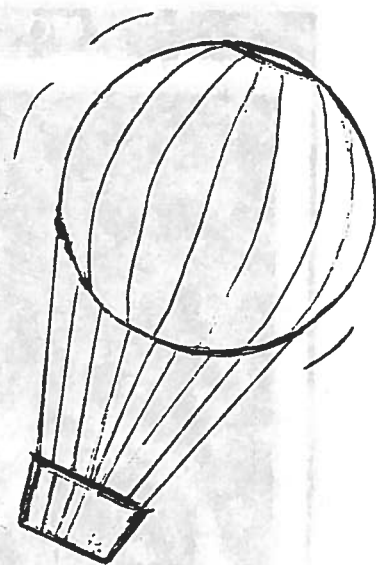

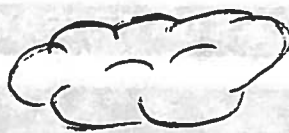

Proceeds of the barbecue go

towards various community projects. The Jaycees have just recently built backstops and fences at the Burrell and Taylor School baseball fields. And last week, a Jaycee crew performed extensive repairs on the Common's bandstand.

This year's barbecue will be held at the Booth Playground from 5 to 7:30 p.m. Cost of a chicken dinner will be \$4.50. A \$2 hot dog plate will be served for children under seven years old. Discounts, as well as some reserved seating will be made available to senior citizens.

So, if you're looking for a way to cap off a day of great activities, or just getting ready for the evening fireworks; stop by for a barbecue with your neighbors and friends. And let the Jaycees worry about cleaning the grill!!

## MOTHERS DAY ESSAY CONTEST WINNERS

**TAYLOR WINNERS** — Emily Sherlock and Jonathan Germain, both third-graders at Taylor School, are congratulated by Gordon Snow and Principal Joe Desrosiers. (Photo by Vin Igo.)

### 'My Mom'

We celebrate Mothers Day because my mom is the most wonderful person in the world. She is on her feet all day at work. Then she comes home, does laundry and cooks dinner. But she is more than that. She does a lot with me. She takes me to my friend's house and helps me with school work. It is like she doesn't stop to rest. She just keeps on going and going. But she is not always up and around. She likes to relax sometimes. In the summer she sits in the sun and drinks iced coffee. But I guess she likes it! That's my mom, and I love her!

Emily Sherlock  
Grade 3, Taylor School

### 'Celebrating Mothers Day'

We celebrate Mothers Day because mothers buy us toys. And mothers will always be at our side through feelings and when we're hurt, sad, happy or when we just need some love. Mothers help us through tough times. Mothers comfort us when we are cold. Mothers spend a lot of time with us. We celebrate Mothers Day because mothers are very, very, very special. Mothers are great. I love my mom. I know sometime I don't show it. But I love my mom.

Jonathan Germain  
Grade 3, Taylor School

### 'We Celebrate Mothers Day'

Sometimes when life is so busy with school, sports and proms, we take for granted our special people called our Moms. They are always on our side and love us very much. So having a special day to praise them and to say thank you and I love you adds a special touch.

Jessica Mooney  
Grade 3, Burrell School

### 'Celebrating Mothers Day'

We celebrate Mothers Day because it is another year of mothers taking care of us. Sometimes we don't realize how hard it can be taking care of us. Mothers are there to help you with your homework, projects and other things. They buy you clothes, things you need (things you want). They take you places you've never been to and they play games with you. Or they're just there for a hug. So don't forget that special day. May 13 is Mothers Day.

## MAY GENERAL MEETING

### INTRODUCTIONS

SECRETARIES REPORT: Mail delivered and notes taken at the Installation Banquet to be printed in the Wise Fox.  
Motion to accept, seconded and accepted.

TREASURERS REPORT: A printed report was handed out to the members present. Monies still due the CYO will be taken care of when all the bills are in on the Pancake Breakfast.  
Motion to accept, seconded and accepted.

INDIVIDUAL DEVELOPMENT: Volleyball was canceled this week for lack of players.  
Spouse Appreciation Brunch went off with out a hitch. Everyone had a fine time.  
JC Tee Shirts are still available. Still no news on the golf shirts. John Zarrella is leaving for the summer. Anyone interested in Tee shirts should contact Bob Webster.  
30th Anniversary: Still no news.  
Installation Banquet was a booming success. Forty five members attended and a great time was had by all.  
Motion to accept, seconded and accepted.

COMMUNITY DEVELOPMENT: The Youth Basketball Clinic was a big success. The program drew 99 second graders this year.  
Sand for Seniors is done for the season(hopefully). Some buckets still need to be picked up. Arrangement still to be made.  
Camp Lincoln Hill Bridge Repair has been put on hold due to all the other projects going on at this time. Possibly later this summer.  
Bandstand Repair: Paul Dean reports that the shingles for the project have been donated by the Bird Company. Work has been planned for Saturday May 19th at 7:30am and Sunday the 20th at 9am. Motion made to appropriate \$250.00 for other supplies.  
Amended motion for \$300.00 was approved. Discussion of possible building permit needed.  
Parade Float: Paul Dean has donated the use of his trailer for the float. This years float is to be a replica of the bandstand. A vehicle is still needed to pull it and some manpower for building it. See Fred Badger.  
Fences and Benches II: Tom Sawran passed out plans and spoke (at length) of the need of the Burrill and Taylor schools for backstops and fences. Much money already donated for this project and with some money and manpower from us it can be completed. work planned for Sat. and Sun. 5/12-5/13. A motion for 500 dollar appropriation was seconded and accepted.  
Mother's Day Essays: Gordon Snow reports that there were two winners in the contest from the Taylor School and two from the Burrill. Photo should be in the next Reporter.  
The CYO Banquet took place recently and some nice words were spoken for the Jaycees. They are very appreciative for our effort with the Pancake Breakfast.  
The people at Youth Baseball were unhappy about the wording in a recent Fox pertaining to our donation for a needy family. A retraction will be forthcoming.  
Fred Badger recommend some fix-up work in the community center. Possible future project.  
Motion to accept, seconded and accepted.

WAYS AND MEANS: Haunted House: A chairman is still needed for this project. Rumor has it that Chris Ienello will be stepping forward on this one. Pat Daly, the new president of the Mansfield Jaycees, was introduced. She reports that her chapter is seeking co-chairmen for the Haunted House. They are still planning to share this project with us. Tim reports that Deputy Chief Goodwin of the FFD has approached him about a meeting to discuss this years event. He also let him know that a bill was still on its way for last years details by firemen.

Glow Items: Tom Sawran put on a short, lights out demonstration for the members. John Zarrella voiced concern for the possible toxicity of the items. A printout from the manufacturer was passed around. A \$120.00 appropriation for the purchase of more glow items was seconded and accepted with one nay.

Founders Day BBQ: Supplies are being checked into and prices are being reviewed. Chris Nametz requested Two volunteers to help him with manpower calls. Discussion about the events of Founders Day took place. Karen Mordaunt informed us that all events would take place on Sunday in the case of a rainy Saturday.

Xmas Trees: Fred Badger has volunteered to chair this project. Motion to accept, seconded and accepted.

MEMBERSHIP: A membership booth is being planned for the common on Founders Day. Advance tickets for the BBQ will be sold and automobile trash bags with Jaycee information packs will be given away. Elaine Fullerton is looking into gathering photos for a possible brochure or poster showing past Jaycee events. Motion to accept, seconded and accepted.

OLD BUSINESS: Region Meeting Final Report: communication award given for the Wise Fox. South region Rookie of the Year given to Sandy Shepherdson for the forth quarter. South region Jaycee of the fourth quarter was Fred Badger.

Police Shoulder Radios: Units cost \$4000.00. That includes installation and base unit that goes in the trunk. Other area Jaycee chapters will be contacted to see if there is any interest.

State Board Meeting/Elections: A group will be going. A caucus room has been reserved. Banquet cost is \$16.00 per person. Anyone interested should contact Sandy Shepherdson.

TDDY Machine will be delivered and presented to the State Police soon.

Plaineville Bike-A-Thon: Riders and sponers are still needed.

J.O.T.S.: Jaycee Officer Training is strongly recommended for new board members. Tim will be making calls.

Name Tags were distributed to the new board.

NEW BUSINESS: Sue Kennedy has volunteered to handle meetings for the time being. Help is needed finding guest speakers. Concerts on the Common: Lauren Bitar has four bands that are willing to play benefit shows at a reasonable cost. She is looking for people to chair these concerts or to be on commitees.
