

THE WISE FOX

FOXBORO JAYCEES
P.O. BOX 169
FOXBORO, MASSACHUSETTS 02035

— SEPTEMBER 1991 —

Foxboro Jaycees is a member of the
United States Jaycees Organization.

THE FRED FACTOR

It's hard to believe that summer is over for another year. But summer's end is a reminder that our year, which has only nine months remaining, begins in earnest. The Haunted House opens in six weeks. The stadium projects continue and many other projects begin their planning stages.

By the time you read this, the Membership Drive will be over. It is important that we continue to recruit new members as we have done during the first three months. As many of you know, this time of the year puts a burden on membership participation. That burden is obviously lessened if we have more people to volunteer.

In closing, I would like to address the project chairmen. When you volunteer for this position, you are, in effect, through out your project, a spokesperson for the Foxboro Jaycees. The way your project is managed and runs is a reflection on this chapter. Make sure, in planning your project, you ask yourself the following questions:

1. Are the purposes and goals of the project consistent with those of the chapter?
2. Is the project of true value to the members and/or the community?

Participation is to be open to everyone!

Yours in Jaycees,

Fred

*Is this Robbie
COLTRANE? OR could
it be that our own
Bill Meehan is aspiring
to higher goals?!*

VII. REMARKS FOR THE GOOD OF THE CHAPTER:

Congratulations to Fred Badger for his ability, through his hard work and enthusiasm, to keep all the meetings concise, interesting and most of all enjoyable!

A motion was made, seconded and passed to adjourn. There being no further business, the meeting was adjourned at 10:12 p.m.

Maureen Kelly,
Secretary, Pro-tem.

COMMUNITY DEVELOPMENT REPORT
SEPTEMBER 1991

PROJECT HEADFIRST

Geri Ayres has contacted Police Chief O'Leary and he said that the Police Dept. would be happy to assist us with this project. Geri has an appointment with Superintendent Toepher to set up the program in the schools. Due to the lateness of the season, we will probably be setting this up for an early spring presentation.

ELDER'S DAY

Teresa Devlin has formed a committee and held her first meeting to get this project started. The date has been set for Oct. 20th. It will include a foliage trip and a luncheon at the Bethany Church. Teresa will have more information at the GM.

CONCERT ON THE COMMON/TICKET RAFFLE

Mary Marshall had a great turnout for her concert to benefit the Boyden library on Aug. 18th. It was a nice evening with good music and a rockin' time was had by all. Between raffle tickets, popcorn, and soda sales we were able to raise a fairly healthy donation for the library. Mary will have the facts and figures at the GM.

QUICKIE CONCERT

Dick and Karen Mordaunt threw together a quick concert date on Aug. 17th featuring two of their musician friends who wanted to do a "reunion concert". They had a good turnout and were able to help promote the Boyden Library Concert on the following night.

CRIMEWATCH

Peter St.Laurent wants your neighborhood to be safe!! If you would like to join the Crimewatch network, call Peter@ 543-3196

CAMP LINCOLN HILL REPAIR

Tony DiBona ran a demolition day at our building at the camp last month. The next step is some electrical updating. Tony will have more information at the GM.

UNICEF

We are planning to join the UNICEF program. I will have more information and be looking for a chairman at the GM

Director, Public Relations
Wrentham State School
Wrentham, Mass. 02093

Dear Mr. MacPherson,

I am writing in regard to your concern about a comment that appeared in my Community Development Report in the July issue of the Wise Fox Newsletter. I feel terrible that what was intended as a friendly joke on my Jaycee colleague, Tim Kennedy, took on the appearance of disrespect for the Wrentham State School. Upon review of my report, I can see that my wording was indeed improper.

Please accept my apology and be assured that I will mention my error in the next issue of the Wise Fox. I am very aware of the importance of continued good relations between our organizations and the community. I only hope that you can look beyond my personal mistake and know that we, at the Foxboro Jaycees, have nothing but the utmost respect for the work that you do at the Wrentham State School.

Sincerely,

Robert G. Webster
Community Development VP

INDIVIDUAL DEVELOPMENT REPORT SEPTEMBER 1991

CAMPING TRIP-L. Brennen; Planning continues on the camping trip. A date and location will be announced at the GM. ing

CARDS NIGHT-Websters; The date for Cards Night has been changed from September 14th to September 21st due to a scheduling conflict. A new sign-up sheet will be sent around at the GM.

CPR TRAINING-Kennedys; will be held September 9th and 16th. I understand a lot of interest has been shown in this project. Contact Tim or Sue with any question you may have.

Volleyball-B. Smith; Volleyball with start a scheduled on Monday nights at 7:00pm at the Igo Building. A big push is on this year to get some new faces at volleyball.

Jaycee Hats and Shirts; I will have the hats and shirts at the GM. Shirts are \$15 and hats are \$5.

Softball vs Hudson Jaycees=chairman needed; Hudson has contacted me again about the possibility of a softball game with us. As you may know we tried to do this last month but got little response. I told Hudson I would look into it but we have a lot of commitments coming up with Stadium events and Haunted House.

WAYS AND MEANS REPORT

September 1991

Okay Jaycees, it seems break time is over and that it's time to get back to work.

When I wished for a few new projects for this year, I guess I should have also hoped they be spread out a little. Money making opportunities currently abound and I really need some help.

Here's why:

Stadium Cleaning - This project has already started with two events already done. Four to six Jaycees are needed each event to work and supervise our work force from the class of 1992. All remaining dates are Sundays, mostly 1:00 p.m. games; a few 4:00 p.m. games. Each member who attends and works two dates will receive a voucher good for your next dues payment. So help your chapter, see a Pats game, and pay your dues all at the same time.

Also of importance to note with this project is that unlike several of the other projects in which we will participate this fall, our name goes on this one, and we are creating a future opportunity as well. Karen Apgar is running this project, and has gotten it started with good feedback from the stadium management thus far. Let's stay with this one! Upcoming dates and times are as follows:

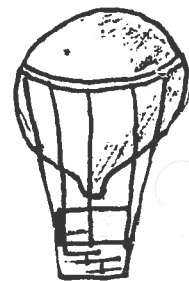

September 22	Oilers	10:30 a.m.
October 6	Dolphins	10:30 a.m.
October 20	Vikings	10:30 a.m.
October 27	Broncos	1:30 p.m.
November 17	Jets	10:30 a.m.
November 24	Bills	10:30 a.m.
December 8	Colts	10:30 a.m.

Call Karen or me if you haven't already been called and want to participate. Sign up with a friend and both have a good time. Reserve your choice of date now. This one is catching on, and dates are being taken.

Regional Concession Stand - We need five people on each of three dates. (See full page ad following.) With this activity you help run a Region-sponsored food stand. Your activity will help raise funds for the chapter while we gain experience in running a stadium concession for our possible future benefit. And you are very close to lots of goodies.

Mansfield Rotary Balloon Day - Glow item sale Friday September 20 at the Mansfield Airport. I am looking for three more people to help sell glow sticks at an evening fireworks show. We know how well these sell, and stand to pick up a few bucks. Call me.

Mansfield Rotary Balloon Day - Coffee and Donuts sale on Sunday, September 22. Mansfield Jaycees have asked for our help by taking over their stand from 9:00-11:00 a.m. This is a "first-time" basis kind of project where we have no idea what to expect as to turnout or profit, but huge crowds are expected and we will share profits on a time-worked basis. We will need about 12 people, which could include interested teens. If you have never seen a hot air balloon launching (75-100 balloons are expected) you are in for a treat. It is a spectacle! Make this a family oriented morning activity and still be home in time for Sunday dinner.

Haunted House - Dates of performances are listed on the calendar in this Wise Fox. The committee is already busy and work has begun. Room chairmen are still being sought so bring your ghoulishly crazed ideas. Construction is to start before the end of the month so sign up and lend a hand -- or any other part you have to spare! Tami Melish is the Foxboro Chairmanperson.

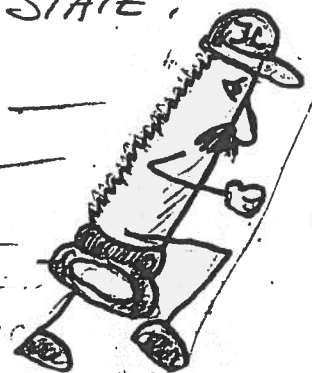

And last but not least, when all of this craziness has ended, it will be time to sell Christmas Trees. The offer is out for Chairman for this project. Let me know if you're interested.

There is no argument that this is a very ambitious fall schedule. This is our time to be busy. And when the last Christmas tree is sold, I'll be the first one in line to start enjoying a rest. I hope we can all find the time to participate in these fund raisers and, if necessary, I'll adjourn to Florida for a few months (again) to let the phone lines rest and give everyone a break. Until then -- thanks for the help!!

Tom Sawran
Chief Hawker and Peddler

P.S. IF I CAN'T INTEREST YOU IN ONE OF THESE PROJECTS, COULD I SUGGEST A PRIME PARCEL OF BEACHFRONT LAND IN THE SUNSHINE STATE!

Thanks
Tom
