

THE WISE FOX

FOXBORO JAYCEES
P.O. BOX 169
FOXBORO, MASSACHUSETTS 02035

— FEBRUARY 1992 —

Foxboro Jaycees is a member of the
United States Jaycees Organization.

THE FRED FACTOR

The last quarter of this Jaycee year is at hand. And we begin this quarter as we did the first, working on several projects. Planning for the Pancake Breakfast is well underway. We have already met to speak about next year's Haunted House. Founder's Day activities are in the talking stages. We are looking for someone to chair the basketball clinic. And so on.

On February 19 a seminar on Communications Dynamics will be held. At the moment it is scheduled to be at my house. If there are enough people interested we will look to have it at the Community Club. If you have a free night come on out. It should be a worthwhile topic. We will speak more about this at the GM on 2/12.

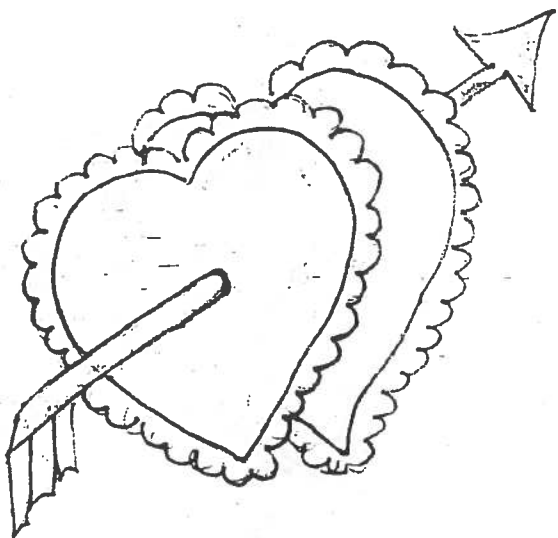

It was nice to see CPGs written in the last month. I received a total of 3. That is more than the rest of the year combined. Keep in mind that those written this year help to run the project better next year.

Although we are in the home stretch of this year, don't forget about membership. Let's keep that ball rolling. We haven't had a new member since November. If you know anyone who may be interested in being a Jaycee, invite them to a meeting. All you have to do is ask.

Don't forget about next year's board. More will be coming up in the next month. Remember, if you run for a position on the board, you are making a committment to this chapter. Don't take that committment lightly. Give it your best.

Yours in Jaycees,

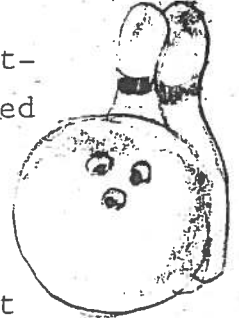

Fred

INDIVIDUAL DEVELOPMENT REPORT FEBRUARY 1992

VOLLEYBALL P. Kelly; Volleyball continues to be played on Monday nights at the Igo Building from 7:00-9:00pm.

BOWLING T. Devlin; Teresa is planning a family bowling outing on February 29th in Franklin. Bowling is to be followed by a get-together at the South Foxboro Community Center. More details will be available at the February GM.

ASSOCIATE NIGHT T. Sawran; Associate Night will be held at the March GM on March 11th. This is our opportunity to show our appreciation for the experience and wisdom our associate membership provide and for the associates to renew old friendships. In the past this has been an entertaining evening this year should be no exception.

MASS. JAYCEE REGION MEETING M. Marshall; This quarters region meeting will be held Saturday February 1st at the Community Center at 7:00pm.

TRAINING SEMINARS Several training seminars are planned for the near future including one on "Communication Dynamics" put on by the Mass JAYCEES and I hope to have one soon on "How to write a Chairmans Planning Guide" (CPG) as there have been questions from several members on this and the format has changed.

WAYS AND MEANS REPORT

February 1992

The Ways and Means area takes a brief rest after the frenzied pace of last fall, but we're not totally in winter hybernation. Planning and chairman selection for some of our upcoming projects is underway.

The next big chapter activity will be the Pancake Breakfast. Accordingly, the Placemat project is underway, with Dennis Brennan taking on the job this year. Advertisers will be being sought, so if you have any good ideas, please let Dennis know how you can help.

We all must be looking forward to Springtime and Founders Day, since many chairmen have already come forward for that day's projects:

Kathy Badger will chair the chicken barbeque. Committee development will begin after the Pancake Breakfast work is further along.

Sandy and Mark Emery will run this year's Hotdog Stand.

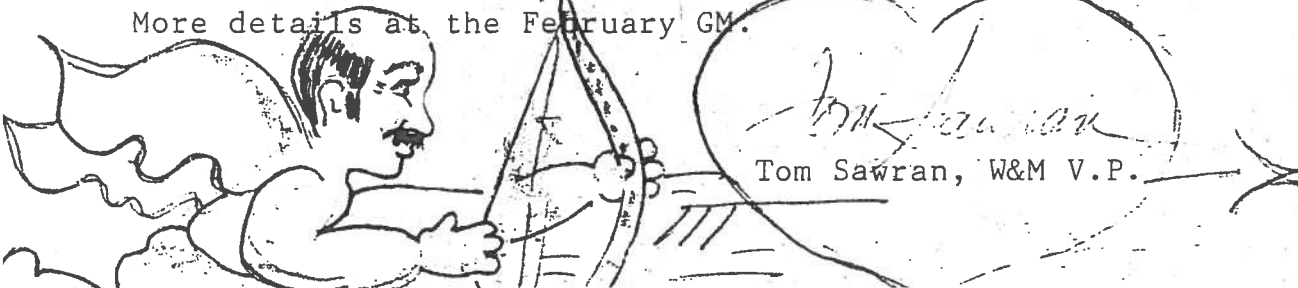

Lauren Bitar will once again brave the insidious Cotton Candy booth.

And George Devlin will run the evening Glow Stick sale.

Thanks to all for coming forward quickly to take on these projects. More news to follow on each as we approach June 13.

A very worthwhile and productive Haunted House "analysis" committee meeting was held in January. If attendance were any better, people would have had to bring their own chairs. Many important planning objectives were discussed and several committee positions already have volunteers to fill them. A chairman should be announced within the next two months.

More details at the February GM.

COMMUNITY DEVELOPMENT REPORT
FEBRUARY 1992

HUMAN SERVICES AUCTION

Teresa Devlin still needs a little help down at the auction on Feb. 9th. The shifts are as follows: 12-2:30, 2:30-5, 5-7:30. Her biggest need is for manpower on the last shift. If you can help out for a couple of hours, please give Teresa a call.

PANCAKE BREAKFAST

Jane Webster has held her first committee meeting and assigned all the various tasks to the committee members. Tickets are already printed, the reservation is set at the High School, and it looks like they have a good handle on the project at this time. The date for the breakfast this year is March 29. If this isn't already on your calendar, get it on there!! This is one of those "whole-chapter" projects that is always a lot of fun to work at.

2ND GRADE BASKETBALL CLINIC

We are just about squared away with a chairman for this project. More news at the GM.

NATIVITY SCENE REPAIR

We will continue to list this on the agenda to remind everyone that something should be done to upgrade the figures this year. We don't want to wait until October for a chairman!! If anyone is interested in looking into this matter, please let me know.

SAND FOR SENIORS

BUCKETS*****BUCKETS*****BUCKETS*****BUCKETS*****BUCKETS
John O'Neill has distributed about 70 buckets so far this season. He is now completely out of buckets. If anyone can help out, give John a call, ASAP!!

FOUNDERS' DAY FLOAT

Tom Sawran volunteered to chair the float project this year. This seems appropriate because his driveway and backyard area is usually the construction site for most JC building projects anyway!! This was a lot of fun last year, so be ready to help out when the time comes. Tom has a tough act to follow after Jane Websters' 2ND Place prize winning effort last year. I have no doubt however, that he is equal to the task!!!

HIGH SCHOOL SCHOLARSHIP

Ed Groh will be handling the project this year. He will need a small committee to read through the 80 or so applications. They will narrow it down to a top ten list which will be turned back to the guidance dept. They will, in turn, determine the two winners. Each will receive a \$1000. scholarship from the Jaycees.

CANDIDATES NIGHT

We need a chairman who would be interested in organizing this project. It consists of a question and answer period with the candidates running for local office this spring. It would take place at Town Hall and run on Cable Access. If you need more information about running this project, you may contact Jane Webster. Jane successfully resurrected Candidates Night last year, after several years of Jaycee inactivity.

LIFELINE — Sue Kennedy of Foxboro Jaycees presents a check to local firefighter David Healey, the department's emergency medical services coordinator. The funds will be used to purchase an emergency medical device which keeps blood flowing to an accident victim's vital organs during transport to the hospital.
