FOUNDERS' DAY JUNE 13

What About Bob?

A Message from our President

Fellow Jaycees,

For myself and the rest of the new Board of Directors it has been a very busy four weeks since the installation Banquet. Everyone is getting their feet wet in their new positions, preparing for Founders' Day, and still trying to concentrate on our planned year work. At this point in time we are very close to completion of our Board approved budget for next year. With a few finishing touches, we feel that we will be bringing a budget to the June GM that looks so good it will surely pass in less than 20 minutesin my dreams!!!!

To go along with the budget, we are also working on a planned year calendar. We are going to be setting target dates for all of our regular projects through May of '93. The calendar will be printed on a large poster that will be available at all GMs. This will supply potential project chairmen with dates that they can use for early panning and allow members to plan ahead for future socials.

I have been in contact with the PTO Calendar Committee to find out about all of next years' school vacations and holidays to make our planning easier. I will be submitting to them a list of all of our GM and

HELP !!!!!!!!!!!!!!!

If you haven't already been contacted by one of your fellow Jaycees, you will be. The first two weeks of June are turning out to be an extremely important and busy time for the chapter.

Our new Ways & Means Veep is *All Shook Up* over the many projects being conducted on Founders Day and he needs your help. If you haven't already committed yourself to a time slot for F Day, please contact one the chairpersons mentioned in John's report (before he commits himself).

Meanwhile, our new Membership Veep is all *AGLOW* over her plans to outdo last years Membership booth at the Booth. Invite any prospective members to join in the activities. Then, steer them toward the neons of Teresa's Membership Booth.

As I write this, our new IDVP has a collection of carpenters and other such skilled labor trying to figure out what that thing in his garage actually is. With any luck, his IDEA will FLOAT!

Fathers' Day Essay Contest To Be Held

The annual Fathers Day Essay Contest is underway and this year's chairman Mark Emery has every thing under control. Watch for the winning entries to be published in fine publications like this and the Reporter (or both).

MONTHLY AWARDS - MAY 92

Project of the Month: Pancake Breakfast

JAYCEE of the Month: John Zarrella

Frog of the Month: Ed Groh

Congratulations!!

Founders' Day (continued)

Later in the day (F Day), Teresa will be passing on her left over glow to hubby George and his crew of Glow Stick salespersons who will be canvassing the pre-fireworks crowd. This is probably a good time to throw in a plug for the concert I will be MCing on behalf of the Union Church starting at 7:00 PM and leading up to the fireworks. The concert will feature a contemporary gospel group called HOSANNA!

And if you thought June was just Roses & Founders Day, you are sadly mistaken! The June GM is one of the most important of the year. The Planned Year Budget will be presented, hammered and eventually passed and, if we can muster up a quorum, the revised By-Laws will be passed AND, just so we know what we're doing, Bill Byrnes will give a little lesson in Parliamentary Procedure. In order to ensure a record turnout for this exciting GM, there will be FOOD!

What About Bob? (Continued from Page 1)

Board meeting dates. I also spoke to them about including some of our "bigger fund raising and community events"; i.e., Pancake Breakfast, Haunted House, Santa on the Common, etc.

I'm really hoping for a good turn-out at the June GM. We have a lot of business to take care of! In addition to the budget, we will have Bill Byrnes giving a few pointers on "Parliamentary Procedures" (something we all could use!!) and we are hoping to get our updated By-Laws approved. Tom Sawran and the By-Law committee have put months of work into this document. By now, everyone should have their sample copy. Please take a look through it and if you have any questions, give Tom a call. **We need a quorum** (it's in the By-Laws) at the GM to get it passed, so put **June 10th** on your calendar!!

See you all at the GM!!

PS. The meeting is at 7:30 P.M. and the Meetings and Programs chairwoman promises good eats!!!

*Bob Webster,
President*

Raceway is shaping up as a class act

To the editor:

Last week, the Foxboro Jaycees were visited by two guest speakers from Foxboro Park. Dan Bucci, the general manager of the raceway and Craig Sculos, his director of communications, spent an hour with us at our May 13 general membership meeting. They put on an informative presentation that included descriptions of the vast renovations in progress, their plans for the future, and a brief lesson in handicapping. The Jaycees were so

impressed with their talk that we are already planning a "Race Track Night" social in June to get a firsthand look at the new operation. I would, again, like to thank Dan and Craig for taking the time out of their busy schedules to come and talk with us. I am sure that if the new Foxboro Park is anything like these two gentlemen, it will indeed be a class act!

Ways and Means

John O'Neill - Vice President

June 1992

Welcome to the Wonderful World of Ways & Means.

Founder's Day is less than 2 weeks away & we're knee-deep in preparations for the June 13th date. With 5 separate booths, not counting Mr. Glowsticks(George Devlin), we have our work cut out for us.

Kathy Badger is chairing the Chicken B-B-Q, Lauren Bitar is wearing the Cotton Candy, I mean weaving the Cotton Candy again(sorry Lauren), Mark & Sandy Emery are the King & Queen of the Hot Dog Stand, Peter St. Laurent is the man with the Sausage...Stand, that is and last but not least, Teresa Devlin will be searching for young blood(or atleast middle-age blood) with her Membership Booth.

With so many projects going on in a single day, we NEED all the manpower we can muster. Please mark June 13th on your calendar & let me know if you can help out in any way.

The Mansfield Jaycees have asked for our assistance in working the 1992 Concert & Footbal Regional Concession Stands. We as a chapter need to provide atleast 5 bodies(no more than 8) for each scheduled event(there are approximately 17 scheduled events between now & December 27th). A chairman is needed to coordinate our concession workers. Please let me know ASAP if you are interested. There are some SUPER concerts coming to the stadium this season, & you could be right smack-dab in the middle of it. Thanks go out to George Devlin, Frank Fitzgerald, Tom Sawran & Jane Webster who worked the recent GENESIS Concert, on very short notice.

That's all for now....

As Elvis once said: "The world's a stage & each must play a part."
What part will you play this month in the Foxboro Jaycees?

Fellow Jaycees...With the month of June upon us, I'm finally getting my "Membership Act" together. Updating the Jaycees look with those bright new fluorescent colors in the way of brochures, looking into fluorescent T-shirts for the ladies, searching everywhere for the mysterious sandwich board, sorting through an entire box of Jaycees Membership material and placing these materials into binders, and following up on those people who expressed an interest for more information at the Pancake Breakfast are to say the least some of the things I've been attempting!!!

MEMBERSHIP REFERRAL CONTEST

The next time you're out at a party, standing in line at Shaws, at a PTA Meeting, or at the Booth Playground pass the word on about us! The person with the most referrals during this 92/93 year will be rewarded a restaurant gift certificate! To help facilitate you I'll be passing out new cards that should fit nicely in your wallets!!!

MEMBERSHIP COMMITTEE

I need your help and creative assistance! I would like to have 2 committees. The first Membership Committee would run June - December and the second Membership Committee would run January - May. The committees will address Membership goals, advertising, the Membership Drive, etc. A sign-up sheet will be pass around.

FOUNDER'S DAY MEMBERSHIP BOOTH

Glow with the Jaycees is this year's Membership Booth theme. So...tell all those potential members to come out and look for us. It won't be hard to miss because the sandwich board, it is being updated in fluorescent colors, fluorescent brochures, and fluorescent T-shirts!!! Once again, the chicken bar-b-que tickets are also available here. Anyone signing up as a member with payment on that day will receive a "Jaycee T-shirt."

***Thanks for all your support and I'm looking forward to a year of many new members!!!

JUNE 1992

This Jaycee year is starting very quickly with many great projects already underway and/or planned for the summer. Grab your calendar right now - you'll want to record these dates.

Since Founders Day is the next big date, please be sure to get hold of Ed Groh (543-3250) for your Jaycee hat and shirt to wear while helping at one or more of our many booths and activities at the Booth Field of June 13.

The Founders Day float is under construction, with work going on nightly at 84 Central Street. Call me (543-0087) or stop by any night to lend a hand or check out the progress.

We'll try to run C.P.R. training before the end of June. A date should be set by the June G.M. so if you haven't already signed up, please call Sue Kennedy (543-7093). Sue should have the latest European techniques to include in the program this year.

Jane Webster (543-6959) has a night at the new Foxboro Park racetrack planned for June 27. I understand we will get free admission and reservations for restaurant or pub dining. This night should be so exciting that C.P.R. training may be a prerequisite!

The annual Associates vs. Regulars softball challenge is set for the July 8 G.M. Gametime set for 6:30 with a cookout and meeting to follow. Contact managers Bill Byrnes (698-0326) Associates, or Fred Badger (543-9447) Regulars, to schedule your tryouts or to secure reserved box seat tickets for the game.

This year's clam bake is scheduled for August 22 and will be chaired by Fred Badger. Fred is planning to hold the event at Camp Lincoln Hill. Save that Date!

Other upcoming/planned activities include: The volleyball breakup party date will be announced by Paul Kelly at the June G.M. George Devlin is planning a trip to see the Pawsox, likely to run in July. And, John O'Neill has suggested a seventies night. More details to follow on these events.

Karen Apgar has agreed to serve as our Publicity chairman for the year. Any project chairman who needs help getting scheduled dates publicized in the Reporter or elsewhere can call Karen for some help. Karen's other primary duty will be to maintain a scrapbook of the publicity we receive in the community to assure we are getting coverage of all of our activities.

Continued on next page -- Can you imagine that?

Individual Development

Tom Sawran - Vice President

The June G.M. will be an important administration night for the Chapter, with three important activities to occur.

First, Bill Byrnes will lead off with a brief overview of Parliamentary Procedures as they apply to the operation of our business meetings. So if you don't know the difference between a budget "hold" and a "call to move the question", plan to come early and become informed.

The Planned Year Budget will be presented, discussed and voted on at this meeting. The Board promises an interesting and ambitious plan for the year, so let's make it official and get to work!

Finally, the newly updated Constitution and Bylaws will be voted on at this G.M. Please bring your own copy which you either received at the April G.M. from me or from John Freudenburg by "hand delivery wxpress". Also, please call me in advance of the G.M. if you have any questions, recommendations, revisions, etc., so that we may proceed with the vote in as organized a fashion as possible (yeah, right). While the discussion of ~~these~~ Bylaws is open to all members, please remember that in accordance with our existing Bylaws, only Regulars members in good standing (Dues Paid) may actually vote.

See you all on June 10!

Thomas Sawran I.D.V.P.
