

SUMMER SIZZLES!!!

What About Bob?

A Message from our President

Fellow Jaycees....

Here I am, lying on White Crest beach, in Wellfleet. I'm in total "vacation mode" now. Soaking up the rays and trying to take a little afternoon siesta, when this same nightmarish vision keeps appearing in my brain: That ball is rocketing into deep center. . . I'm in my home run trot . . . then out of nowhere, Mike Lenihan on the run, glove over his head . . . Plop! Fly-out center field, take your seat on the bench!!

Besides a few frustrating fly-outs and needing repairs to the gravel, the softball game/GM was a great success. It is a great way for the regulars to see what a good bunch of guys used to run the chapter and it gives them the opportunity to see how well we are "carrying on the tradition".

Two other thoughts before returning to my siesta:

1. **Project Chairman:** The same people are chairing all the projects lately. I know we have some rookies out there that need to get that first project under their belt. The Jaycee's espouse "Management Training" and this is where you get it. It is very satisfying to chair a successful project and any project you

Dates To Remember This Month:

PawSox	August 7
Concert on the Common	August 9
GM at Camp Lincoln Hill	August 12
Board Meeting	August 26
Jaycee Clambake	August 29
Wise Fox Deadline	August 30

Congratulations June Award Winners!

Mark Emery, Jaycee of the Month

Tom Sawran, Project of the Month

Paul Kelly, Frog of the Month

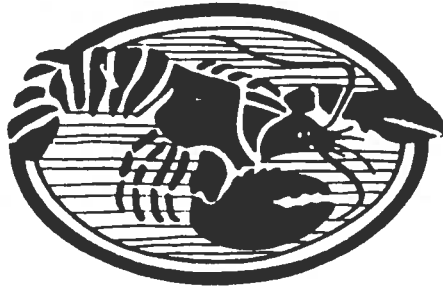

chair is bound to be successful when you have so many other members that are willing to help. Be thinking about projects coming up, like UNICEF, Elders Day and Concerts on the Common.

2. **Haunted House:** It will be here before you know it! Be thinking of ideas all the time. . . even lying on the beach!! Project chairman, Tom Sawran, wants input. Tom and I will be contacting the other chapters very soon and getting the ball rolling. I'm sure Tom will have a lot to say about this at the next GM.

See you at Camp Lincoln Hill

Ways and Means

John O'Neill - Vice President

August 1992

Welcome to the Wonderful World of Ways & Means.

With those lazy, hazy, crazy days of summer upon us, the Ways & Means Machine is CHILLIN' (to use a hip 90's term). We are active, yet low key.

With the sudden demise of the Stadium Concession Stand project, and the fact that we went about \$250 in the hole at Founder's Day (between the Chicken B-B-Q & the Hot Dog Stand), we are again searching for new money-making ventures for the chapter, for YOUR chapter. Money is essential...how we acquire it, is up to us.

The Marlin Art Auction Company contacted me last month, and were hoping we'd consider hosting one of their auctions this spring. I plan on attending the Lion's Club art auction in November and see how they fare. The bottom line for this art auction is...if we can bring in atleast 100 people, we are guaranteed \$1000.

During the summer, please keep this in mind...Tis the season for GLOWSTICKS! These items are very popular with the youngsters and are very profitable for us as a chapter. If you know of any outdoor/evening events where these GLOWSTICKS might be appropriate, please let me know. Have a swell summer!

That's all for now....

As Elvis once said: "Knock and the door shall be opened, seek and you will find."

Help the Jaycees find some new money-making projects this month.

Membership

Teresa Devlin - Vice President

Fellow Jaycees...With the month of August upon us, I'm relaxed from my vacation to Myrtle Beach and ready to recruit all those potential members. Just a reminder, everyone now has those handy wallet size membership forms so...it's up to us to get the word out! If everyone refers just one new member our chapter has the chance to double!!! So... get the word out and help our chapter grow into a bigger and better one!!!

"Does anyone have any referrals"???

MAGIC SHOW MEMBERSHIP BOOTH

On August 4th., we are sponsoring the Magic Show for the Youth Coalition being held on the Commons. A Membership Booth will be set up for potential members. To draw people to this booth there will be a raffle. The raffle is for movie tickets. Anyone interested in helping with the membership booth please give me a call. I'll be setting up approximately at 5:30 p.m.

MEMBERSHIP COMMITTEE

The Annual Membership Drive will be held during the month of September. Details will follow at the August G.M. If anyone is interested in helping with the Membership Committee or has any suggestions, feel free to see me at the G.M. or give me a call at 543-2958.

Our Membership for the month of July has dropped by 2. No additional members have joined. Potential new members will be attending the August Camp Lincoln Hill & Pool Party meeting so ..let's welcome these potentials and show them a good time!!!

Individual Development

Tom Sawran - Vice President

Now let's see, how many more days until school starts? Summer is *sceaming* by! Hopefully, you've all taken the opportunity to get out to one or more of our summer activities. So far this we have seen the "regulars" triumph, once again, over the the ~~RE~~-Associates on the softball diamond (however, not by much!). This annual 'tradition' was once again a great night! Thanks to Bill Byrnes and Fred Badger for their respective managerial roles and to winning pitcher, Ed (It's only a game) Groh for the use of his car mats for bases. A little more equipment.....maybe?.....next year?

The volleyball regulars held their breakup party, planned by chairman Paul Kelly, and hosted by Bill Meehan. While Brian Smith tells us that there was an awful lot of frozen ice at the party, the driving was considerably better this year, with no driving incidents reported. As a last order of business, the group selected its chairman for the next year. That dubious distinction goes to Mark Emery. Congratulations and Good Luck Mark!

Coming up quickly is the PawSox outing, chaired by George Devlin. George has tickets in hand, and all is ready for the August 7th trip to Pawtucket. Get there early, rumor has it George is buying the first round of beers with the money he won playing poker with the guys over at John Freudenburg's!

Our August GM promises to be some fun as well. M&P chairman, Jane Webster ahs arranged for us to meet at Camp Lincoln Hill. Swimming, food, and beverages will be available. August 12 **7:00 P.M.**

Finally, at the end of the month will be the long awaited return of the Jaycee Clam Bake. Karen Apgar and Fred Badger have been hard at work with the planning of this event. When last seen, Karen was down at Fisherman's Pier haggling over the price of Lobster with our old friend Salty, the Fisherman. Rest assured, this social will be a good take. Date is Augst 29, time is 6:00 P.M. Location is Karen's house. *Last date to sign up is August 21.*

Family Day coming, early September at the Wilhelm's, (if Gordon remembers to tell Lucy he signed them up for the job! Date to be announced (along with the punishment Gordon gets for not asking first).

Not unlike any other "distaff shopping", word has it that the ladies are carefully considering all sources and possibilities in the quest for the ideal "distaff apparel". Cheryl Cushman and committee continue to work on this project.

As an off-shoot of the highly successful softball challenge, we **ARE GOING TO HAVE MORE SOFTBALL!** Paul Howard is organizing, for lack of a better name, pick-up softball. No, this isn't a singles only activity. Here's the plan. On Wednesday nights opposite the GM and Board Meeting weeks, we will meet at Cocasset River Park Field (where we had the Reg-Assoc. gave) and play a game or practice for fun. If we have enough players to play two teams of our own, good, or if we can get another chapter to challenge, we'll try a "loser buys the keg" game. Be sure to call Paul if you're interested. Sound like fun!

Please continue to enjoy your summer. If we haven't seen you yet please join us for these Jaycee activities. Old and new members alike should not fail to take the opportunity to get to know every other memeber in the chapter. Besides, the more the merrier!

See you soon,

Tom Sawran, IDVP
