From The Prez . . .

Fellow Jaycees:

The summer months are quickly becoming a thing of the past which can only mean that the Haunted House season is approaching. We need help from ALL of our members if we are to be successful again this year. This is our biggest project of the year, the one which funds most of our other projects during the year. It is vital that everyone share the load on this project since there is so much to do. There is something for everyone to help with so please get involved. Come out to the opening on 8/30 and get involved right away.

We've had a great and busy summer with socials, concerts and the road race planning and I'm sure that, as always, we'll have a lot of fun with Halloween too. I hope to see you all at the September GM on 9/14.

Thanks again to Beth for starting last months meeting for me. I had the pleasure to represent the Jaycees on FYI Live with Mike Coppolla and it made me late. Watch for the listings to see some of your colleagues on TV (Yes, I brought pictures!!!)

Respectfully yours

Sandra Smith, President

Haunted House

 *Time Line* 

9/7  Haunted House Unloading Day

9/10  Haunted House Clean-Up Day

9/11 - 9/14  Haunted House General Construction Days

This is our biggie! Everybody is more than welcome! Also an excellent way for new members to meet the old, get dirty and be a part of the team!

(not necessarily in that order!)

Don't know how to help? Give project chairman Mark Emery a call and he'll

 point you in the right direction!

The Foxboro Jaycees is a Member of the United States Jaycees Organization

We Believe . . .

that faith in God gives meaning and purpose to human life;

that the brotherhood of man transcends the sovereignty of nations;

that economic justice can best be won by free men through free enterprise;

that government should be of laws rather than of men;

that earth's greatest treasure lies in human personality;

and that service to humanity is the best work of life!

Note From The Editor

Howdy, y'all! Please take heart in knowing that, as I will be returning to school, there will be no extra time for me to fiddle with our newsletter's modern logo for the next few months. As always, I welcome your comments, suggestions (and complaints?) with regard to the content & appearance of your **Wise Fox!**

Bob Hickey, Wise Fox Editor

Canoe Trip - Joe Catalano/Fred Badger - August 12-14 - The Canoe Trip had 14 people attend. The weekend was said to be a great time. Frog nominations will be heard at the G.M. Joe and Fred did a great job organizing this outing, and I would like to thank them.

Pawsox Game Social - Cathy Hickey - August 16th - Cathy made this project a real success as she had 40 people attend the game. Unfortunately, the Red Sox went on strike the week before and every baseball fan in Massachusetts and Rhode Island decided to attend this game. Though it was crowded, everyone had a good time. Thanks to Cathy for making this project a much larger project than what it was planned to be.

Block Island Social - Lynda Walsh - Lynda had offered to run this project. However, every weekend in the summer has already been taken by other Jaycee projects. This project will be canceled for this year.

Pick-Up Softball - Bob Webster - Pick-Up Softball will have its last game on Monday August 29th. This turned out to have an excellent turn-out every Monday. Thanks to Bob for making this project happen.

Patriots Game Social - Peter St. Laurent - September 11 - We have purchased 20 tickets to the, sold-out, Buffalo Bill game. By the time this Wise Fox is off of the press, Peter will have all the tickets sold. 20 Jaycees will be attending this game and a pre and post game tailgate party is in the works. This will surely prove to be a great time for all who are attending!

Clam Bake - Ken Wills - August 27 - Kenny is planning on having an old-fashioned clam bake. Steak and Lobster dinners will be served to those who are attend. Kenny has done a great job in organizing this project! The sun will be shining and everyone will be eating, drinking, and being merry at one of our last summer bashes.

Mansfield Softball Challenge - Wendy Fisher - Wendy worked diligently to get our athletic Jaycees together to challenge the Mansfield Jaycees to a softball game. Unfortunately, Mansfield canceled at the last minute. It rained that day also. So, although Wendy tried her best to make her first project a success, things just didn't work out. I'm sure that the next project that she runs will be a smashing success! Thank you Wendy, for all your hard work.

Wise Fox *continued* **Individual Development**

JC Open - Fred Badger/Mark Emery - October 9 - This golf outing will take place at the Norwood Country Club on Route One. The cost will be approximately \$42-\$45 per person. This will include all greens fees and food. Fred and Mark will be contacting everyone who signed up, they are in need of a deposit in order to reserve the course. This is BYOC (Bring Your Own Clubs). I'm sure that this will be a great experience for both the "experts" and the "beginners" within the group. If you are interested in attending, please contact Fred or Mark as soon as possible. I have been assured that the choosing of the foursomes is going to be done in an absolutely "fair way" (sorry for the pun).

Race Track Social - Eileen McHugh - Eileen has offered to chair this exciting project. It will surely be a great time. She will be scheduling dinner at Foxboro Park. We are looking at September 17th. If you are interested in attending, please contact Eileen!

Haunted House Break-Up Party - Geri Ayres - Geri has offered to chair the break-up party. As all of us begin to have the Haunted House on our agendas, Geri will be working hard at organizing the party for all who helped at the Haunted House. If you are interested in helping Geri, please contact her.

C.P.R. Training and Recertification - Chairman Needed - This is a very important project that is run every year. Any new member may receive their C.P.R. Certification if they do not already have it. In addition, anyone who is currently certified must be re-certified each year. I am looking for someone to chair this project. It is a fairly easy project, as all you would need to do is arrange with the Foxborough Fire Department for the classes. If you are interested, please contact me.

Degree of Jaycees - John Freudenberg - We will be handing out an easy to answer questionnaire at the next G.M. I am hoping to have everyone fill this questionnaire out to get a start on the records that are needed to determine what degree each Jaycee is at. If you are inclined to give this information to me or John before-hand, please do so.

Project Documentation - Just a reminder, if you run a project, please do a quick write-up as to what needed to be done to accomplish what you did. I look forward to receiving some more documentation from all of the project chairmen.

I would like to thank all of the project chairmen for all of their hard work in the past couple of months. It has been a very hectic time of the year. I look forward to seeing everyone out at the remaining projects in the ID. area.

MEMBERSHIP REPORT
August '94

Hello Members:

First, I would like to thank Chris Mullen for filling in for me at the August GM while I was on vacation, I was informed that we had two (2) new members sworn in.

Please Welcome:

TOM MURRAY
VIKki WHITE

Also, in regards to billing of due's, the GM decided that each member will be billed the first of each month, within the date/month of your anniversary. This will give you enough notice to plan your finances. We suggest you pay promptly, so the state does not force us to cancel your membership.

I am looking for a person to chair Call Night, please call me if you are interested.
