Fellow Jaycees . . .

I will be very brief. I hope you all can join me in congratulating Mark on his election to become your next President. By the time you read this, he will have been installed. I wish him and his new board all the best. I also know all the award winners who will be announced at the Installation Banquet, all though this report is due before anyone else will know. I was very pleased with the effort that went into choosing each award and I want to personally congratulate all of them for doing a superb job.

I said I'd be brief, and that is because you will find an Annual Report enclosed within this copy of the Wise Fox which will give some interesting statistics on this past year. My last words as your President . . . thank you all for allowing me to serve you this year. I found it challenging at times, educating at others but mostly I received a great amount of fulfillment at having played a part in another extremely successful Jaycee Year. Every member deserves congratulations for that.

Signing Off, Your Soon To Be Past President,
Sandra Smith

Debbie is also looking for help to help unload the truck and maybe a few hours a month to do paperwork.

Easter Egg Hunt on the Commons (Paula Bertolino) - Final Report- Things went well and the Easter Bunny and her crew were out in force. As the Foxboro Reporter stated, there were hundreds of children and even more parents at the commons. Apparently there were some parents who cheered on their kids to grab as many eggs as they could and at any cost. Many kids didn't get any eggs during the hunt and fortunately some kids gave up an egg or two for them. The easter bunny gave out a few more to those who went to visit her. I will say that the vision of the Jaycee's Easter Egg Hunt was blossoming on the commons. 1) Everyone seemed to enjoy some good family time. 2) The kids were outside and enjoying the fresh air and celebrating the rites of spring. 3) Some of the kids shared their eggs with kids who were not fast enough to collect them.

Wise Fox *continued* Community Development

Headfirst Grant - Peter St. Laurent - (complete) We had a lot of good publicity and for the kids that went they all had a good time.

All Night Grad Party & Manpower - Beth Finch - June 4th - Beth has found all the manpower that was requested but if you want to help her, please give her a call.

Candidate's Night - Jim Hebert - (completed) Jim and his crew did a fantastic job. I hope you all had a chance to see it. P.S. Don't forget to vote.

Mother's Day Essay - Dawn Cleveland - Dawn got permission to contact all the classrooms that will partake in this project. She will be receiving letters from the kids shortly.

Ramp Project - Carl Bertolino - put on hold until next year's budget

High School Scholarship - Cathy Hickey - Cathy and her crew have submitted the intending recipients of the three scholarships the Jaycees have picked. This year we will be giving three \$1,000 scholarships that were approved at the last GM.

Founder's Day Float - Chairperson Needed - I am still looking for a chairman for this project. I have spoken with a few people but there are still no takers. I would like to have a chairman before passing over the reigns to Chico. Don't forget the theme of Founder's Day is "The Jem of Norfolk County".

Booth Playground Donation - Donna Miller - \$1,000 will be donated to the playground committee in the near future.

Senior Citizens Center Donation - Dave Brown - \$1,000 will be donated to the Senior Citizens Center.

Jazz Club Donation - Tom Sawran - The Jazz Club has been given the great chance to go to Switzerland and represent Foxboro, MA, USA. They have asked local organizations to help defray the cost of the trip which will be \$2,000 per person. They will also play at EuroDisney. At the last GM the Jaycees have accepted and approved \$1,000 donation to help defray the cost of the trip.

Youth Baseball Dugout Repairs - Fred Badger - final report
The outcome was better than the youth baseball committee ever expected. It was completed before opening season. Thank you Fred and his crew for all your hard work.

SUBMITTED: SANDRA SMITH, APRIL 28, 1995

This is my final Wise Fox report, so I would like to take this moment to thank all of the members who helped make the 1994-95 Individual Development year such a success. Each of you who volunteered to chair projects in the I.D. area are very much appreciated. Without your help, this fantastic year could not have happened. Thanks to the chapter for giving me the opportunity to hold the position of I.D.V.P. I especially want to thank **Cathy Hickey** for the great job she has done as my Director. She did a fantastic job all year! Enough of the mushy stuff - now for my report:

C.P.R. Training & Recertification & First-Aid Training - **Aimee Emery** - **Aimee** has been working with the Foxborough Fire Department, and will be contacting all who have shown interest with dates and times. If you are interested in one or more of these courses, please contact **Aimee A.S.A.P.**

Volleyball - **Brian Smith** - Everyone is still urged to get involved at volleyball in the Ahern School at 7:00 p.m. every Monday. We all have a great time while playing. Thanks to **Brian** for doing such a great job with the project so far.

Nominations Committee - **Tom Sawran** - Final Report: As you all know, **Tom's** difficult job of Chairman of this committee is now complete. **Tom** and his committee did a great job of creating interest for the 1995-96 Board.

Installation Banquet - **Tom Sawran** - April 29: By the time you get this report, this project will be complete. I know **Tom** has worked hard to make this banquet an enjoyable evening for all who attend. Thanks, **Tom!** (Editor's note: *A great time was indeed had by all! From the chapter - Thanks, Tom!*)

Degrees of Jaycees - **Beth Finch** - A copy of the updated Foxboro Jaycees form is enclosed in this month's Wise Fox. Please take the time to evaluate your accomplishments within this organization and then turn this form in to me as soon as you can. If there are any questions concerning this form, please ask! (Editor's note: Form is three pages long, and can be found on pages 5 - 7.)

Project Documentation Contest - **Beth Finch** - Although I will be awarding the best documented project at the Installation Banquet, I need to stress to everyone the importance of documenting how a project is run! Please consider the person running the project next year! If you don't know how to document, just ask your area V.P. and they will assist you.

Jaycees Open - **Jim Hebert** - By the time you receive this report, **Jim** and his committee will have plans ready for a great day of golf! A barbecue may also be organized at the 19th hole on West Street. If anyone is interested, please contact **Jim A.S.A.P.** (Editor's note: Entry form and further details are located on the next to last page of this month's Wise Fox!)

I would like to wish **Joe Catalano** and **John Dillon** luck as the I.D. Vice President and Director for the next year. I am sure we will have just as a productive year as the past year!

Thanks to Everyone - **Beth Finch**, Ex - I.D.V.P.

A Personal Note

Dear Fellow Foxboro Jaycees:

In case any of our members were not aware, I had been nominated and accepted the nomination for President during the elections at the last meeting. I just wanted to take this moment to reiterate to everyone in the chapter that my intent with this action was not to cause malice to anyone, but to offer the chapter the element of choice which they deserve.

I appreciate Mark's understanding and hope that all of the other members are able to also understand. I am sure that the 1995-96 Jaycee year will be a great one and will be proud to be a part of it as the Ways & Means Director. Good luck to Mark and the rest of the new board.

Thanks & Regards,

Beth Finch

Everyone will be stepping as the happy Jaycees come to the General Meeting, Wednesday, May 10 beginning at 8:00 p.m. at the South Foxborough Community Center! Bring a friend! Share the Wealth!

Jaycees In The News

More than 300 youngsters, most accompanied by parents, converged on the Common last Saturday to partake of the annual Easter Egg Hunt sponsored by the Foxboro Jaycees. As participants gathered at one end of the Common, organizers used plastic barricade tape to keep the unusually large crowd from inching forward and scooping up any of the brightly colored eggs prematurely.

one joined in the fun. Above: Aimee Emery stands in for the Easter Bunny but young Carley Morrissey doesn't seem to mind.

Jaycees did a great job fixing up dugouts

To the editor:

On behalf of the board of directors of Foxboro Youth Baseball and Softball, we would like to thank the Foxboro Jaycees for the great job they did in refurbishing the dugouts at the Booth Field.

The Foxboro Jaycees have had a long tradition of helping in this community for both young and old. This project keeps that tradition alive.

We invite the whole town to see the youth baseball and softball parade this Saturday at 9:30 a.m. at the Town Common. See all the children in their uniforms and then go to the Booth Field to see the greatly improved dugouts.

Thanks again to the Jaycees.

Used bike sale, youth bicycle 'rodeo' both termed a success

To the editor:

The Foxboro Police Dept. would like to thank all of the people who helped in last week's helmet sale and bike rodeo. They both were a huge success. There were not many participants in the rodeo but the ones that did come were both eager and excited. Prizes for this event came from the Foxboro DARE fund.

The bike rodeo was assisted by many volunteers. We want to thank those who stood out there on that chilly morning for five hours while helping the kids through the different test areas. They were people who had attended the citizen's police acad-

my and also members and wives of the Foxboro Jaycees.

The helmet sale was very successful. The idea was to get more kids to wear helmets or at least get better ones and we did. A total of 164 helmets were sold for \$5 to \$10 to kids and a few of their parents who wanted to set a good example. The rest of the money to pay for the helmets came from donations from the PTOs of the Lewis, Taylor, Burrell and Ahern schools. Foxboro Jaycees also made a contribution.

We also want to thank Greg Stevens, the owner of Mountain Bikes and More. He gave us a big break on the price of the helmets that allowed us to purchase them at a great price. He also donated his time to come down to the helmet sale to fit people and take orders. This program would have been very difficult to pull off without the assistance and charity of all those who made some donation in one way or another.
