## "MARK" my words

The September GM was one of the hardest I have yet to run, as the subject of drinking liability had to be reported on, with the beer tasting on the agenda as well! I would like to say I did not plan it that way, it just happened that the issue was resolved by the committee and findings were reported to the board, as well as the members. As noted, we do have a responsibility to others, and must be mindful of that. Jim Hebert reported on Camp Lincoln Hill, and I would like to thank him for all the work he has done, along with his committee, and wish him luck on the Camp Lincoln Hill Trust board. Also, I have attended the first Massachusetts Jaycees Headquarters Trust investment meeting. This committee is looking into how the state money is invested. I believe my attending these meetings will provide valuable information on what the state is doing for us, which I will continue to keep you apprised of.

In the Ways and Means area, the Haunted House is looking very good with all rooms having started construction. Again, I ask all of you to come out and support the Haunted House, which is the chapters biggest money making project of the year. Also, the Haunted House Executive Committee has held its first meeting. We have gone over the ground rules for all concerned as well as approving the budget as presented by Beth Finch, chairperson of the project. The breakup party this year will be chaired by the Catalanos. Bill Maddestra is chairing the Christmas

Tree project, with details to follow. The Chili Feast Committee will have its first meeting on October 10.

In the Membership area, a call night is in the works for October 3 and 4. Your help in supporting our drive for new members would be a great help. A direct mail campaign is also planned following the Haunted House.

## HAUNTED MANSION OCTOBER 13-30

In the Individual Development Area, volleyball will be starting this week. Due to a conflict, the time has been changed to 8:30 P.M. at the Ahern school. Paul O'Sullivan is looking into a day trip to New York City to see the Rocketts, as well as a visit to a Haunted Restaurant. John Dillon is looking into starting a new project this spring, called the From Under Regatta. Believe it or not, its time for a chairperson to come forward and schedule the Progressive Dinner!

In the Community Development area we are looking for chairs for the following:

**CAROLING ON THE COMMON**  
**FRUIT BASKETS**  
**SANTA ON THE COMMON**  
**NATIVITY SCENE SET UP AND REMOVAL**

This is a very busy time of the year for the Jaycees. I urge everyone to come out and support any or all of these projects. This is how you become involved and activated. Believe it or not, it is possible to work hard and have fun at the same time! You will also get a good feeling from helping the community or someone in it

## **ADDITIONS**

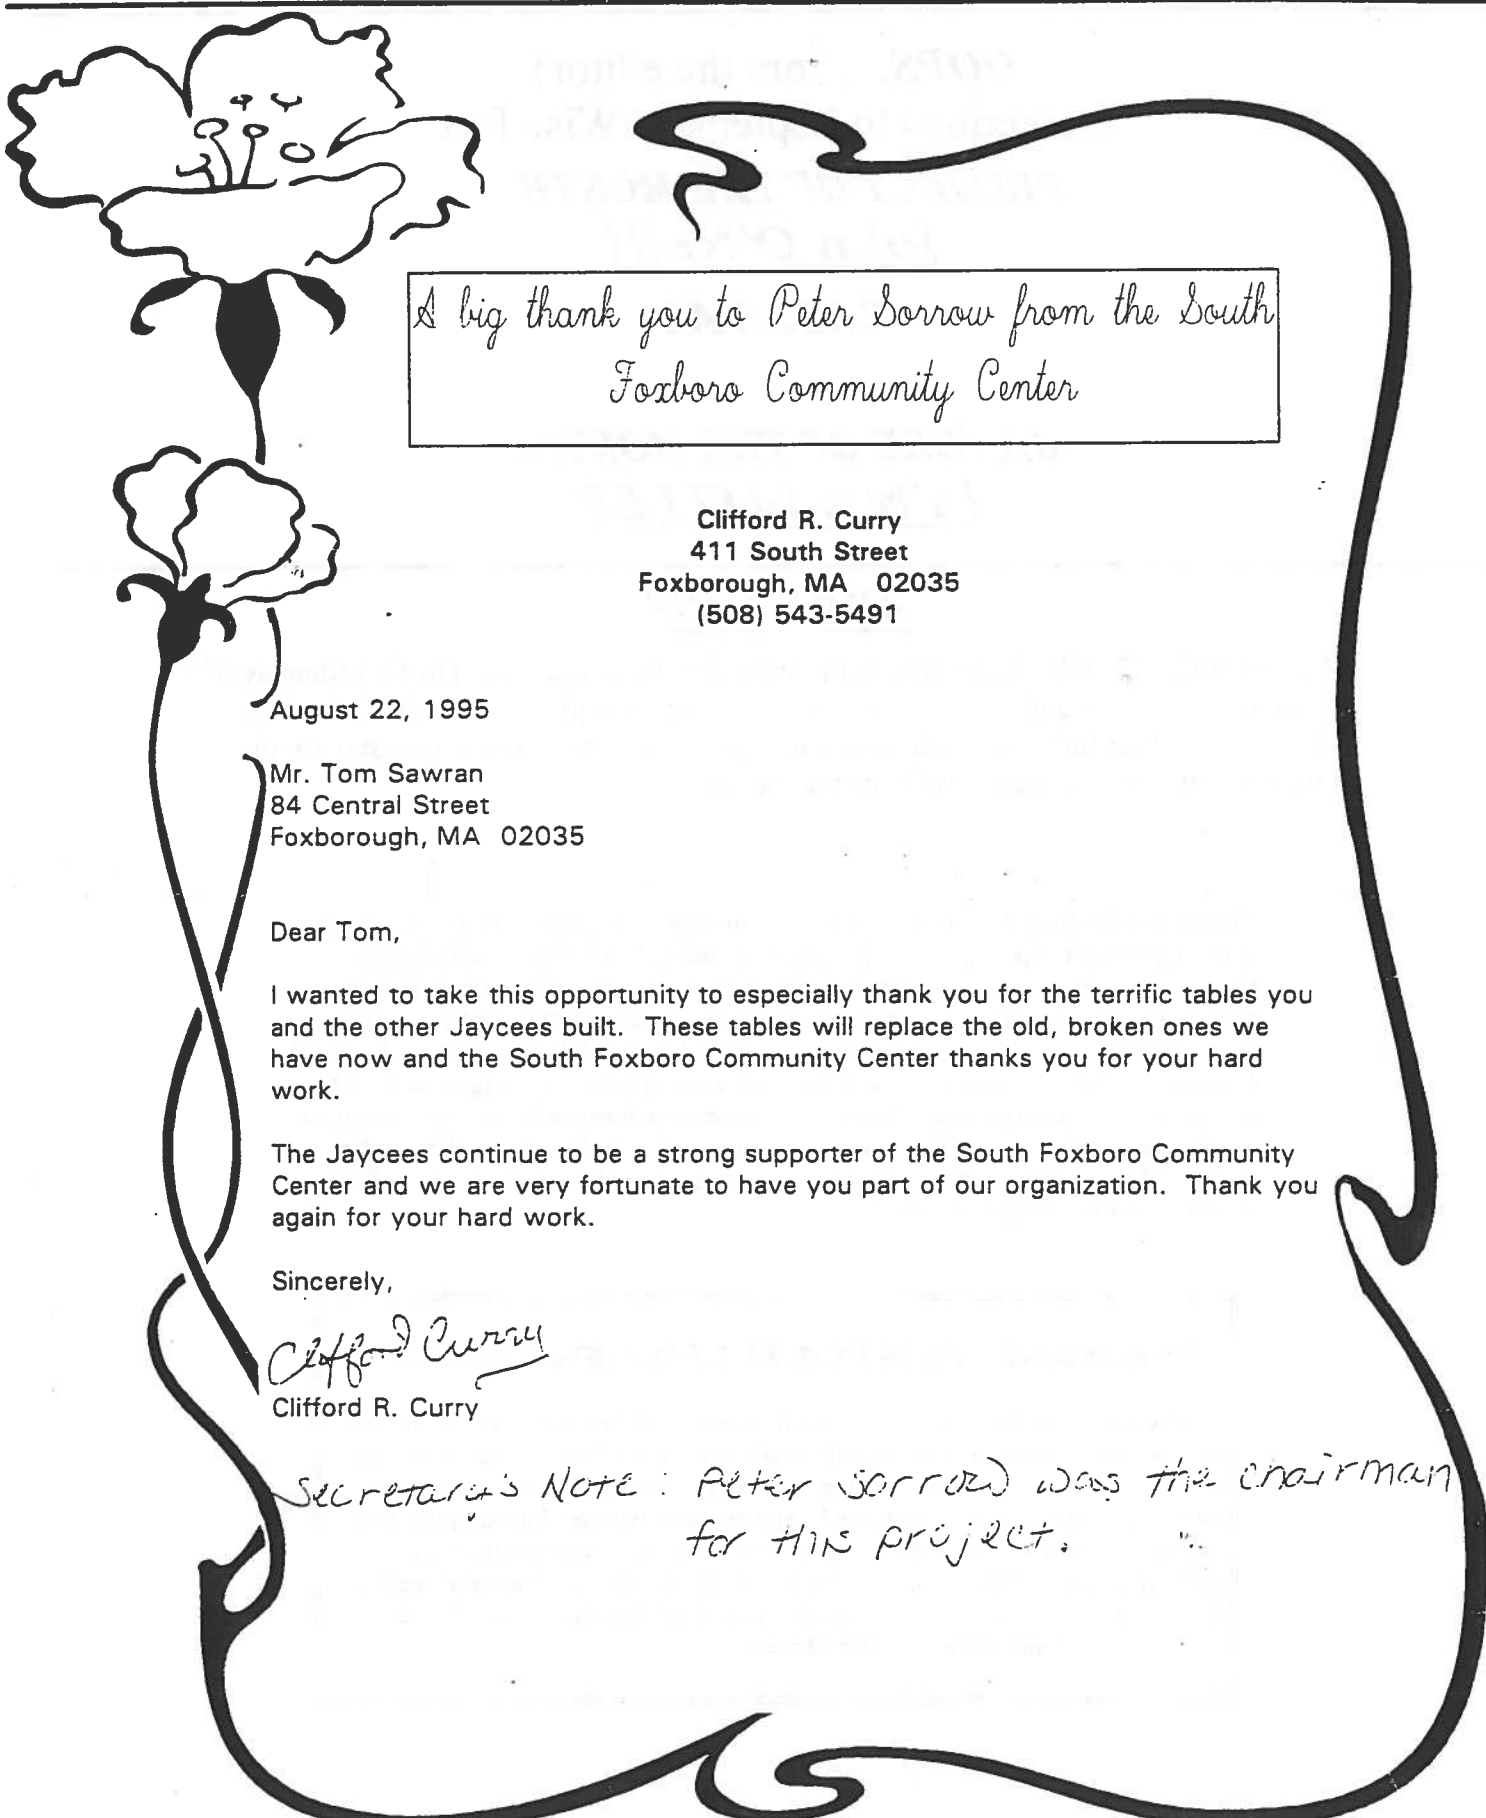

**VOLLEYBALL CLINIC**- Learn new skills and refine those old ones. The first Monday of the month (11/6, 12/4 and 1/8), 8:30-9:30 p.m. will be set aside for the volleyball clinic. There is no cost for the clinic. Individuals who participate in the clinic may stay for open volleyball until approximately 10:30 p.m. at no cost.

**Community Spelling Bee** - *Cathy Hickey* - Show your community spirit and participate in the "Community Spelling Bee". The event, hosted by The Foxboro Public Schools, hopes to raise money for the "Common Link", a newspaper dedicated to helping improve communications between the school department and the community. There is no fee required to enter a team. The grand prize is a day at Foxboro Stadium which will include 4 tickets to a Patriots Game along with food and supplies for a great tailgate party. The Jaycees would like to organize a four member team to compete in an exciting evening of matching wits. If more than four Jaycees are interested, a Spelling Bee will take place at the next GM, October 11, to select a team. Interested individuals should contact Cathy Hickey, 543-4046, before October 11.

### **Wanted: A SHARING Person . . .**

Chairperson needed to oversee the smooth operation of SHARE. Responsibilities include recruiting and delegating individuals to work one Saturday per month for two hours distributing food, reserving rental truck, handling money and banking, collecting volunteer hours, set-up and clean up, news releases, food ordering and pick-up. There are 2-3 dependable volunteers currently working this program that are willing to stay involved. They have offered to train and assist anyone interested in taking over the Chairperson responsibilities. Interested individuals should contact Chico, Cathy Hickey or Deb Mullen.

America's industrial revolution began in the Merrimack Valley, and Lowell's colorful past as a major textile center comes alive through trolley and barge rides and tours of its restored mills. South of Lowell are the towns of Lexington and Concord, where the "shot heard 'round the world" signaled the start of the Revolutionary War.
