

# THE WISE FOX

January, 1996 EDITION

543-0712

## "MARK" my words

The New Year certainly started with a deep freeze that I thought would never go away! Along comes some rain and thank goodness it was rain and not snow. The snow piles have almost disappeared and the weather seems a little milder, however, it is only January! Never fear, we have a whole bunch of new projects coming up to keep everyone from getting cabin fever!

In the Individual Development area we have training projects such as CPR and First Aid; for our social well being there will be a Card Night and Supper Bowl party; for our educational well being, we will offer 'How to run a meeting' and 'How to write a CPG' (chairperson's planning guide). Last but not least-for our psychiatric well being we will have seminars on conflict resolution and self defense, with Associates night and a trip to the Comedy Club to fill the bill.

In the Community Development area we are looking for chairpeople for the following projects: Road Race 1996, Easter Egg Hunt, and Candidates Night. Even if you don't feel confident enough to run the whole project, join in on the committee to see how a project is run. Plus, the project chairman can always use the help!

The Ways and Means area has two projects going on in conjunction with the Pancake Breakfast. These are Placemat Ads, with Lynn Butler as chair, selling her heart out, and Beth Finch running the raffle. Prizes will be tickets to the Red Sox, Celtics and Revolution (the new professional soccer team).

## HAPPY VALENTINE'S DAY

It is time for the nominations committee to begin the work of finding a new board for the 1996-1997 Jaycee year. The nomination committee will be responsible for calling all members and determining who is the best fit for the board. Everyone should think about what part they may want to play. Two years ago around this time I was planning on taking some time off from the board. At this same time, my wife was on the committee and they could not find someone to fill the Ways and Means VP position. Needless to say,

I didn't take my time off! This led to my desire for the president's position, and in this short time I have learned so much about group interaction and dynamics, as well as how large projects can be fun and exiting to run. This year has been eye opening! It's completely different standing behind that podium! So please, think about a board position. It is a big commitment, but well worth the effort.

## Ride for Kids

Foxboro MA 02035

Dear Friend,

Thank you for your donation to the Ride for Kids. Your financial contribution helped make this year's Ride the most successful ever. On September 23, more than 600 riders gathered to ride 25, 50 or 100 miles to raise a total of \$350,000 to help children at risk. The generous support of individuals and companies from throughout Massachusetts and beyond, combined with the efforts of those who rode, make a strong statement about the importance of helping children who are so often forgotten by society.

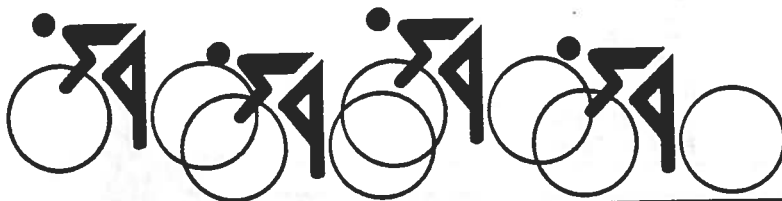

Your contribution helped five Massachusetts child welfare agencies that offer a wide variety of services to thousands of children. The Robert F. Kennedy Action Corps for Children, the Italian Home for Children, Roxbury Youthworks, Boston Children's Services and the Colonel Daniel Marr Boys and Girls Club of Dorchester, all of which you supported through your contribution, provide services ranging from residential care to gang prevention.

Your donation is fully tax deductible. Please retain this letter as a receipt of your donation.

Thank you very much for your support. We, at the Ride For Kids and the associated agencies, wish you and yours a happy and safe holiday season.

Sincerely,

**Activation Tee-Shirts...** Cathy Hickey - Just a reminder if you haven't received a shirt and have participated in a Community Development or Ways and Means project, you need to see Cathy for a shirt.

**Call Night II... Chairman Needed** This is a fun and well needed project. We get together a few Foxboro Jaycees salesmen to call the town of Foxboro and ask them to join us. It usually runs 2 to 3 nights. I would like to see this project run in February or early March so that it can be in conjunction with the Direct Mail campaign. If you are interested please speak to either me or Steve Krug.

**New Members Barbaque ... Chairman needed.** This project is usually run in April. It's a get-together to meet the new members of the year and also it's a great project to invite prospective members to. If you're interested please see either me or Steve Krug.

**Jaycee Week/Orientation ... Chairman needed.** This is usually just an ad put in the Reporter. I'd like to see this chairman be in-touch with the chairmen of the direct mail piece and call night to put an orientation together at the Community Center from the names we received from these two projects. If you're interested please see either me or Steve Krug.

## WAYS AND MEANS

HI,

PANCAKE BREAKFAST PLACEMATS- Lynn Butler

TBA

Lynn and her committee will be talking to retail, organizations, tradesman and other people that they can think of and try to get them to advertise on the placemats that we use at the pancake breakfast. So, if you know people in town that want to advertise or you want to get to meet different people from around the town talk to Lynn and see if you can help. Lynn has been working hard on this and so far I know of two advertisers; Joe Walsh Plumbing and the Knights of Columbus

RAFFLE AT THE PANCAKE BREAKFAST- Beth Finch TBA

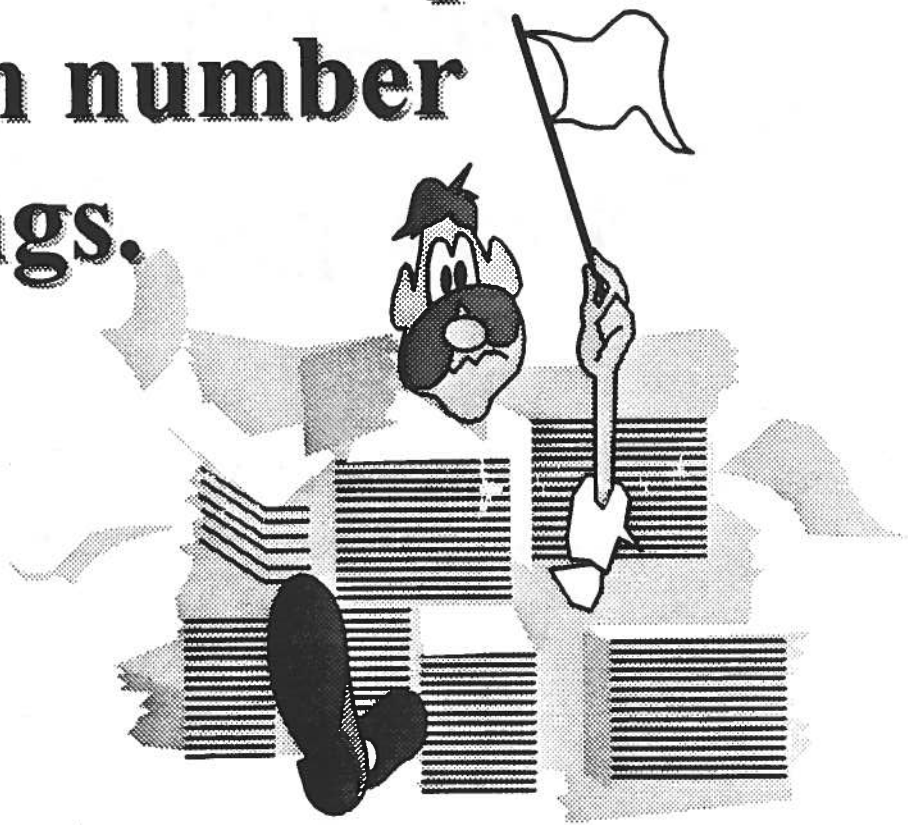

What a blowout! Beth has been able to acquire 3 sets of tickets for the pancake raffle. They are the Celtics, Red Sox (boxseats), and the newest New England team, the Revolutions. I must say that she has done a wonderful job in getting these tickets. She still needs help in selling the tickets so get your books and give it your all. Remember, the more money brought into the group the more we can do for our town.

Well I hope everyone is having a wet and wild winter!!

Peace, Carl VPW&M
