NOTES FROM THE PRESIDENT...

I would like to take a moment to thank everyone who has chaired projects for this first quarter of the Jaycee year. I realize that these months have been extremely busy and I appreciate everyone's exuberant effort in pitching in to make all of the projects so successful.

Membership is doing a fantastic job thus far. **Carl and Sandy's** new ideas currently being implemented and the results have been obvious already with three new members last month and at least two prospective members waiting in the wings for the August G.M.

Lynda Walsh has been doing an excellent job in coordinating the major Community Development projects for the summer. **Pete Jamieson** did a fantastic job with concerts on the common and **Jim Hebert** is working extremely hard with his road race committee for the big day in September. **Cathy Hickey** has managed to update the procedures and organize the entire Share program and adding packages each month. Thanks to Lynda and all the committee chairman in the C.D. area.

Chris Hebert has been also doing a great job in coordinating the many, many I.D. projects to keep us busy in the summer

months. If anyone has any down time, which is hard to find now days, Chris can point you to an I.D. project to keep you busy.

Joe Catalano is gearing up for the Haunted House. With any luck, by the August G.M. we may even have the license to occupy the building, thanks to **Dave Brown's** diligent work. If you're a new member or you have been living under a rock, we will need input and help from each and everyone of our members within the next three months. Please plan to put as much time and energy as possible into our biggest fund raiser of the year!! **Cathy Hickey** and I will be working on the concessions for "The House" so if you're interested in helping, please contact us.

Just a quick reminder to all committee chairmen. Please use your roster. Sending a sign-up sheet around the G.M. doesn't cover everyone, and some of our members are missing out on our fantastic projects. Please remember, we need to contact EVERYONE to get them involved.

Congratulations to the award winners from the July G.M.

Dawn Wicklund - Jaycee of the Month

Pete Jamieson - Project of the Month - Shooting Gallery

Pete "The Public Speaker" Jamieson - Frog of the Month

On a personal note, Bill and I would like to thank the Jaycees for the flowers and the limo. Both made our day even brighter, if that was at all possible.

Beth Maddestra, President

FOXBORO JAYCEES 4TH ANNUAL ROAD RACE "FUN RUN FOR TINA"

September 14, 1996

Start - 10:00 AM

Registration 8:30 AM

This year's Road Race is being held to benefit the family of one of our fellow Jaycee members (Chico DiCicco). Chico's daughter Tina was diagnosed with kidney problems at the age of 11 months old. She successfully underwent a kidney transplant at age 12. Two years ago, at age 19, however, her transplanted kidney failed, leaving her totally dependent on dialysis. Right now she is working to become strong enough to undergo yet another transplant. Chico, a prime donor candidate, is undergoing tests to determine if he is able to donate his kidney. All proceeds from this year's Road Race will go to Tina to help with expenses.

The registration fee this year is \$10.00 per person. Call me at 543-3816 if you need a registration form. A tee-shirt will be guaranteed if you register by September 1st or at anytime if you get sponsored for \$25.00 or more. Also, there are lots of fun activities planned after the race (face painting, paintball shooting gallery, demonstration by the Fire Department, and radar baseball throw). The Rotary will be providing their Chuckwagon to serve food. We will have some great raffle prizes available. The cost for each raffle ticket is \$1.00 for one and \$5.00 for six (call or see Dave Britton for raffle tickets). Bring your family out and have a great time.

As you all know, Chico has given as much to the Foxboro community as any Jaycee in this chapter and I am asking for your help to make this Road Race successful. We need your help with manpower (Dave Brown *will* be calling you); also, I encourage all of you to support this Road Race by participating in the race itself, or by sponsoring your favorite runner. This would be a great time for Chico's fellow Jaycees to donate to such a great cause.

**"Please come out and support this year's Road Race
for your fellow Jaycee member Chico DiCicco"**

Jim Hebert - Road Race Committee Chairman

COMMUNITY DEVELOPMENT

August 1996

Share Program - Cathy Hickey and her committee continue to improve the Share Program. They had a BBQ at the Community Center for all the volunteers and introduced them to a new format which will make the project run smoother. **Cathy** has done a super job with this project. This is **Cathy's** last month chairing this project. CD is looking for a new Chairperson. If you are interested, please give me or **Pete** a call.

Road Race 1996 - Jim Hebert and his committee have been hard at work. The sub-committees have been meeting and preparing their strategies for the different areas. If you're interested in being involved with this project on the committee level, give **Jim** a call. **Dave Brown** will be contacting the roster looking for manpower for the day of the race, please keep this day open for manpower help and/or running/walking the race.

Concerts on the Common - Peter Jamieson and his committee did a great job this year. The weather cooperated with us through this project. Concessions, run by **Bill Maddestra** was very successful. The Membership Booth was there to remind people who we are and what we do. There will be a final report at the August G.M. Congrats **Pete** on a job well done.

Nativity Scene Repair - Carl Bertolino is still in-touch with a woman to help us out fixing the major problems with the pieces. **Carl** is now looking for somewhere to put the pieces so they can easily be painted by the Jaycees. If you have any ideas, please give **Carl** a call.

Community Center Storage - Tom Sawran will be looking for people to work on his committee to make some decisions on exactly what we need for storage. If you have Jaycee property, please write up a listing and give it to **Tom** or you can call him.

Council on Aging Painting Help - Cathy Hickey got a handfull of people to go the Lewis School and paint a couple of classrooms for the Council on Aging. I'm sure your help was well appreciated by the Council on Aging. Great picture in the paper "**Ms. President**".

PTO Calendar - Kerry Kelley has submitted all the dates given to her by the area VP's. If you are running a project be sure to check with the area VP to be sure a date hasn't been already set and inserted into the calendar. Thanks **Kerry** for your prompt work.

Jaycee Signs - Mark and Sandy Emery have volunteered to inspect the Jaycees signs in town. If you're interested in helping them, give them a call.

Camp Lincoln Hill Repair - Ken Wills will be looking for people to be on his committee to evaluate what needs to be improved to our building at Camp Lincoln Hill. At this point he is looking to replace the chain link fence. If you're interested in helping **Ken** out, please give him a call.

Youth Basketball Clinic - Peter St. Laurent will be looking for help to run this project. If you're interested, please give **Pete** a call.

Dedication Plaque - Ken Wills is working on upgrading the plaque located on the bandstand. We're celebrating 25 years of the bandstand this year. **Ken** intends to have his announced on the plaque. The new plaque will be protected by plexiglass.

Food Stand Help - The Knights of Columbus Food Stand needs help. If you're interested in giving a couple hours of your time, give me a call.

Elder's Day - Chairman Needed A date has been set for November 16, 1996. We invite the Elders of the town to dinner prepared by us and usually have some kind of entertainment. If you're interested in chairing this project, please contact me or **Pete**.

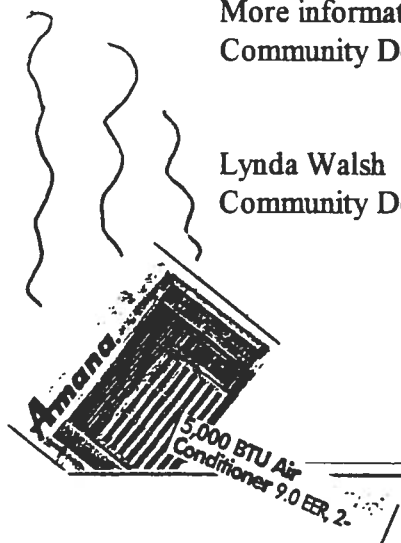

Youth Coalition - Chico/Lynda A check was given to the Youth Coalition for their annual National Night Out Against Crime. The money was used this year to sponsor "Cosmo The Clown" and "Curious Creatures". **Chico** manned the Membership Booth promoting the Road Race and the Haunted House as well as talking to people about joining the Jaycees. Thanks for your help **Chico**.

Elderly Move - Lynda Walsh I received a call from a woman who needs to move from one building to another at Carl Annon Court. A handful of us will be moving her on Saturday, August 10.

Powerderhouse Repair - Chairman Needed The "Powderhouse Neighborhood Group" is looking for some help repairing a railing on the Powderderhouse. They have the money to repair this but are in need of manpower. If interested please get in touch with me or **Peter**.

More information will be available at the August G.M. If you have any ideas about new Community Development Projects, please give me or **Peter Sorrow** a call.

Foxboro Jaycees

Foxboro, MA 02035

Dear Cathy,

I want to express not only my appreciation, but the appreciation of all the senior citizens of Foxboro who come to the Drop In Center, for the great paint job that was done at the Lewis School rooms. They look much warmer and friendlier to everyone who has stopped in to visit us this past week.

I also would like to thank all the Jaycees for their most generous donation which has allowed us to purchase additional folding chairs and tables to use for our activities.

We truly appreciate all your hard work and thank you for helping the senior citizens of Foxboro.

Sincerely,

Lorraine

July 2, 1996

Dear Mark,

The Foxboro High School Golf Team Scholarship Committee is taking this opportunity to thank you for your support of this year's tournament. Your contribution of two tee sponsorships (\$100.00) has helped greatly to generate over \$3,250 to distribute in college scholarship aid to four seniors who have participated in the Foxboro High School Golf Team program. Without your support, we would not be able to continue this fine program. Thanks for helping to make this year's tournament a successful community endeavor.

Sincerely,

Bruce Congdon

MOTIONS COMING TO THE AUGUST GM

Tent Purchase - We are looking to purchase a tent for Jaycee events. Research has been done and quotes have been obtained (thank you, Mr. Dillon). The Board approved an appropriation of \$900.00 and the General Membership will be voting on this at the August GM.

JULY AWARDS

Project of the Month - Shooting Gallery - Pete Jamieson - Congratulations, Pete, on doing a fine job at this Founder's Day Project!
Jaycee of the Month - Dawn Wicklund - It's great to see a new member take an active role in the various projects that are currently being run. Congratulations, Dawn!
Frog of the Month - Pete Jamieson - First, one band was informed by Mr. Jamieson (in that very special way of his!) that they would be playing in spite of the threat of rain. Second, Mr. Jamieson had to delay his introduction of a band due to the obstruction in his throat - a popcorn kernel. And last but not least, Mr. Jamieson introduced a band after they had already been playing for not one, but two, hours.

ON A SPECIAL NOTE. . .

Ten Year Awards were presented to Fred Badger and Karen Mordaunt, and Five Year Awards were presented to Teresa Devlin, Mark Emery and Sandy Emery. Congratulations to all!

NOT ELSEWHERE CLASSIFIED

The Foxboro Reporter incorrectly reported that the Foxboro Jaycees donated \$500.00 to the Council On Aging. The correct amount was \$1,500.00.

Membership Booth Concert on the Commons Final Report

I would like to thank Linda walsh for setting up the manning the booth and to Bill Maddestra for taking the board to and from the concerts. We have a few leads i will be looking to contact for future GM and other activities.

Activation Apparel- Lynn Butler

Thank You Lynn for picking up this project. If anyone has a design idea ora suggestion as to what should get the logo please give Lynn a call. The apparel are passed out to members who worked on a Community Development project or a Ways and Means Project. These are used as a way to get our name out to the community.

Activation Chairman- Sandy Smith

Sandy will have another committee meeting on Aug 7. She's had a real good article in the Wise Fox last month in the Who's Who so check out her page in the Fox. If you want to be a mentor then give her a call and she will go over the requirements. If any of these ideas catch your eye, give Sandy a Call.

Outdoor Advertising- Mark Emery and Carl Bertolino

We are trying a new way of getting our name out into the public. This way of advertising can be expensive but Ackerley Advertising can give us a discount. The cost of art work is another story but we are working on cutting them down. Their is no real time frame for this project at this time so please keep your ideas coming.

Membership Booth- September 14 Chairman needed

The booth will be put up at the 5-K Fun Run so that the community and all the runners know who and what we are all about. So if you are not a runner or walker and jim Hebert has not picked you up for all his manpower needs then give me a call.

The Who's Who of Who's New....

Please welcome the following new members.

Chris Cronin

Anniversary Date: 7/96

Chris and his wife Ellen have the dubious distinction of living across the street from the Krugs. Although Chris says he's been hearing about various exploits of the Jaycees from the Krugs for the last couple of years, it wasn't until he was talking with friends at this year's Founders Day Membership Booth, that he decided to join. It has been easy for Chris to fit in since he all ready knows many current members, many of whom live in his neighborhood (the Krugs, Emerys, and Pete Sorrow). Chris boasts that "he isn't shy once you get to know him" which quickly became evident at a recent pickup softball game.

Chris has lived in Foxboro for the last eight years having grown up in Attleboro. His wife Ellen is expecting their third child in December. As of now, they have two sons: Ean, who is five and Noah who will soon turn two.

Chris works at Deltran Corporation in North Attleboro as a machinist. Ellen, a member of the Newcomers Club in Foxboro, is self-employed providing Daycare in their home.

Chris is very interested in developing a project within the Jaycees centered around children and drug abuse education. This is a subject close to his heart. As a member of the North Attleboro Elks, Chris organized many in-school lectures which involved former drug addicts telling their

stories to educate youths of the dangers associated with drug abuse.

Since joining, Chris has attended Pickup Softball, the first Haunted House meeting and the Concerts-On-The Common. He enjoys all sorts of sports especially auto racing. Chris hopes to become more involved in the community, as a family, through the Jaycees and we certainly welcome and encourage him to do so.

Scott and

Michele Rogers

Anniversary Dates: 7/96

Unlike Chris, who knew many members before joining, the Rogers, coming from the "other part of the state", are joining the Jaycees to help meet people socially. They moved to Foxboro in March of last year when Michele was transferred to Quincy where she sells surety bonds for United States Fidelity & Guarantee Company. Michele is originally from Southboro. Scott, who is a nurse working for The Neponset Visiting Nurse Association, is originally from East Long Meadow just outside of Springfield. They had been thinking about volunteering but did not know what or where until they noticed our Value-Pak Ad. Combining what they read about us in the paper with Scott's research on service groups in the town library, they decided that the Jaycees would provide them with just what they were looking for. Michele and Scott like the fact that the Jaycees are something they can do together as a couple. Michele commented that walking home from the first Concert-On-The-Common that they attended, they had all ready talked to more people, from Foxboro, in that one night, than they had in the entire previous year.

Scott and Michele's family consist of a number of fish.... Michele claims that it works out well, being able "to pick up and go without any worry". Michele has been busy working on obtaining her MBA while Scott, a confessed computer buff, is working on building them a home computer.

Last October, Michele and Scott, truly enjoyed their visit to the Haunted Mansion on Payson Road. Looking back, they say, that at the time, they did not realize it was a "Jaycee" project but they knew they'd love to be involved in something like it. Having been part of the audience last year, they are looking forward to participating on the other side of the project this year. They are also both excited to play softball this summer and are considering joining in at volleyball this winter.

Activation Committee News:

**Next meeting is:
Wed, August 7th, 7:30
at my house.
(All are welcome)**

We are working on:

- **New member handbook** (Lauren Bonneau-Krug)
- **A new member survey** (Jim McNeil)
- **Degrees of Jaycees**
- **"Inactive Status"** (a roster listing for more experienced members who do not wish to be called for the majority of projects - this voluntary status will help newer members know who from the roster to call and who not to)
- **Activation Hit List** (Rotating list of members, with less than 5 years experience, who have not recently participated in a non-social project. This list will be available to Board members and project chairman)

These are just some of the ideas that we will be presenting in the next few months. I'd like to thank all those that signed up as Mentors. I have utilized some of you all ready and I'll be contacting others as needed in the future. Thanks again !!!!

*Sandy Smith
Activation Chairman*

Thanks for a fun-filled game to everyone who attended, including **Michelle & Scott Rogers & Chris Cronin**, who joined us that night. A special thanks to **Dave Brown** for the great food afterwards.

Paintball Game- Due to our busy summer schedule, this has been postponed as a Jaycee project for the time being. **Pete Jamieson** will be running it again later in the year.
