NOTES FROM THE PRESIDENT . . .

I would like to welcome the new members from the August G.M. We look forward to sharing in work and friendship with **Sheri Duarte, Tracy Clarke, Steve Tingle, and Julie Grant**. Congratulations go out to **Carl Bertolino** and his membership help in swearing in seven new members in the past two months. Keep up the good work!

The top billing in the month of September will go to **Jim Hebert** and the 1996 Road Race. Jim and his committee have been working extremely hard to make this year's race as successful as possible. We should all consider working and/or participating in the race as it is for Chico's daughter and we really need to show our support for the cause and for the project. I look forward to seeing all of you on September 14th. One of the other important Community Development projects of the year is Elder's Day. **Lynda Walsh** is looking for a chairman for this project. I know we are all busy in the months of September and October but we must remember that ultimately we are here to help the community and Elder's Day is very important in that objective.

Chris Hebert has been very busy this summer in finding chairmen for the many, many I.D. summer projects. All of the projects have been run extremely well and there are still many more to come. The Softball Challenge, the Clam Bake, the Fishing Trip, and the Patriots Game will surely be exciting. Please, if you are interested, contact the project chairman.

The other top billing for the months of September and October will, of course, be the Haunted House. The room chairs are already working on their creative ideas and **Joe and Dave** have managed to get our license to occupy the building. All we need now is electricity. Everyone needs to get psyched up for the 1996 FOXBORO JAYCEES HAUNTED MUSEUM!! The house will soon be open for any help in clean-up and building.

It's a very exciting time of the year and I hope that every member on our roster takes some time to get involved with the many important projects coming up. Thanks to everyone who is currently chairing the extremely long list of projects on the agendas.

Beth Maddestra, President

MEMBERSHIP

Call Nihgt - Mark Emery

Mark is going to be setting up a time and a place, where the Jaycees will get together and call perspective members. This will be taking place prior to the start of the Haunted House so that we may be able to get more manpower. Give mark a call if you want to help.

Activation Apparel- Lynn Butler

Thank You Lynn for picking up this project. If anyone has a design idea or a suggestion as to what should get the logo please give Lynn a call. The apparel are passed out to members who worked on a Community Development project or a Ways and Means Project. These are used as a way to get our name out to the community.

Activation Chairman- Sandy Smith

Sandy will have another committee meeting on Aug 7. She's had a real good article in the Wise Fox last month in the Who's Who so check out her page in the Fox. If you want to be a mentor then give her a call and she will go over the requirements. If any of these ideas catch your eye, give Sandy a Call.

Outdoor Advertising- Mark Emery and Carl Bertolino

We are trying a new way of getting our name out into the public. This way of advertising can be expensive but Ackerley Advertising can give us a discount. The cost of art work is another story but we are working on cutting them down. There is no real time frame for this project at this time so please keep your ideas coming.

Membership Booth- September 14 Chairman needed

The booth will be put up at the 5-K Fun Run so that the community and all the runners know who and what we are all about. So if you are not a runner or walker and Jim Hebert or his henchmen has not picked you up for all his manpower needs then give me a call.

The Who's Who of Who's New....

**I've had the pleasure
of getting to know
the following new
members ... here's
your chance!**

***Krista (Hartman)
and David Troilo***

Anniversary Date: 4/96

Krista and David met in their last semester at North Adams College in 1993. David is originally from Norwood but Krista has had to move from her hometown of Clarksburg (a town so small, it shares a zip code with North Adams) to Foxboro because the couple married this past June. Krista has been here two years and loves the area, saying "it's a lot like home". Moving, however, left her needing to meet new friends. Krista credits three separate membership invitations with introducing David and her to our Chapter. They first saw an add in The Country Gazette for an open house held last spring, they then received the Valu-Pak invitation and finally, they saw us advertised on the public cable station. They attended the advertised open house and were convinced to join after meeting the people there who were so friendly and enthusiastic.

In Norwood, David remembers there had been a Jaycee Chapter although they no longer exist. David was very involved in music while in High School. He played the trumpet in a

Jazz Ensemble that won a National Title at competitions held in Orlando. In college, where he majored in business administration and minored in information systems, he switched from music to theatre. I warned him that once word gets out, everyone will be looking for him to act in their rooms at the Haunted House. Krista and David both recalled "having a ball" at last year's Haunted House that they went to. Krista was especially surprised by the infamous chain saws.

David is currently working at Keyport Life Insurance in the Operations Area which specializes in annuities and retirement plans. Krista, who majored in Biology and minored in sociology (a combination she admits is unique), now works in the Quality Control - Microbiology Department at Serono Labs, a pharmaceutical company in Randolph.

Both Krista and David enjoy all kinds of sports: golfing, skiing, and running. It was running that got them involved on this year's road race committee. David would also like to stay involved in the theatre. (Are you reading this JOE!)

Sheri Duarte

Anniversary Dates: 8/96

Most people know Sheri as Peter Jamieson's girl friend but that is changing due to Sheri's incredible level of involvement over the past year. Although she has just officially joined this past month, she has been very busy. Read this list of projects she's helped with: Haunted House, Founder's Day Float, Mrs. Claus at Santa-on-the-Common (a role she really loved), Progressive Dinner (Peter and her cooked dinner), Concerts-on-the-Common, Christmas Trees and most recently, the Council on the Aging Painting project.

Sheri has had a lot of fun in The Jaycees. She is impressed that we do

so many things for other people, especially the senior citizens and the kids in town. She says that she's never seen a town like Foxboro where so many people really like their town. So many people, in other areas she's been, don't take pride in their town.

Sheri grew up in Foxboro but now lives in Mansfield with her daughter Samantha who just turned four. Spending time with Samantha is Sheri's favorite thing to do. As a matter of fact, when I called Sheri to do this interview, I interrupted a tea party that Samantha and Mom were having. Sheri's second love is horseback riding. She used to have her own horse until she had to move and now she enjoys riding with friends of hers. Sheri also likes crocheting, cross stitching and other "crafty" things. She is likewise especially proud of her collection of antique Christmas ornaments.

Sheri works for Eastern Container in Mansfield, a packaging and corrugating company. She's the one that makes the packaging materials that come in almost everything you purchase today from the foam in VCR packages to splints used in the medical field. Her job, her daughter and now her involvement in The Jaycees keep her very busy. We are glad to finally be able to welcome her as a member.

Activation Committee News:

- Watch for the new 'NEW MEMBER HANDBOOK' at the September GM. Lauren Bonneau-Krug has done a wonderful job.
- The updated DEGREES OF JAYCEES was introduced at the August GM. Please return your completed form to me. I've received many so far.

*Sandy Smith
Activation Chairman*

INDIVIDUAL DEVELOPMENT

September Meetings & Programs (Dave Brown)- Robert's Rules of Order, presented by Sandy Smith.

Upcoming Projects-

Patriots' Game (Kerry Kelley)- November 17th, at 1 P.M.

Name: _____ #Attending _____

Lobster _____

Steak _____

No profit will be made on this project.

There will be a free raffle of prizes to return any excess cost or money back.

If interested see Ken Wills at the September G.M. or give Lynda Walsh a call at 543-2668.

If allergic to seafood, please let Ken know.

COMMUNITY DEVELOPMENT

September 1996

Share Program - Chairman needed...Cathy Hickey and her committee have done a super job with this project. I would like to thank Cathy for all her hard work. Because of her efforts the Share program has increased it's members and because of the new paperwork it seems to be running smoothly. I will be chairing this project until I find a new chairperson. If you are interested in chairing this project, please contact me or Pete Sorrow.

Road Race 1996 - Jim Hebert and his committee are still hard at work. All the pieces to this massive project are now coming together. There has been alot of hard work put into this project by many members, so please come out on the 14th and work or participate in this race.

Nativity Scene Repair - Carl Bertolino is still in-touch with a woman to help us out fixing the major problems with the pieces. Thank you John Dillon for volunteering your barn to store and paint the pieces. If you are interested in helping out with this project, please give Carl a call. I know it's hard to think of Christmas in September, but let's face it "it's just around the corner" and we need to be sure the Scene is presentable.

Community Center Storage - Tom Sawran and his committee met and have decided that an actual storage facility would not be feasible at this time. A recommendation has been made to have person "Inventory Director" keep a list of what we have and who has it. This project has now been moved to the Secretarys area. If you are interested in helping out, please contact Lauren Bonneau-Krug.

Jaycee Signs - Mark and Sandy Emery have cruised the streets of Foxboro and looked over the signs. Mark is now looking into the cost of replacing some of the signs.

Camp Lincoln Hill Repair - Ken Wills has been evaluating the chain link fence at the camp. He will be looking for people to help him within the next couple of months. Camp Lincoln Hill will be pretty much footing the bill for this project, all we need is manpower. If you're interested in helping Ken out, please give him a call.

Youth Basketball Clinic - Peter St. Laurent is right on the "ball" with this project. He has reserved the High School Gym for 5 weeks of sessions starting September 16th. They will be held on Monday and Wednesday nights from 6:00 to 8:00. If you'd like to help out teaching the 3rd Graders about basketball, give Pete a call.

Bandstand Dedication Plaque - Ken Wills has been scetching out some ideas for the new plaque. This will probably be rededicated during the Carolling on the Common. If you have any ideas you'd like to share, give **Ken** a call. As mentioned before, 1996 marks the 25th year of the bandstand.

Food Stand Help - The Knights of Columbus Food Stand needs help. If you're interested in giving a couple hours of your time, they suggest just stopping by the Stand whenever you have some spare time. Also, don't forget to support them by purchasing some of their produce.

Elder's Day - Chairman Needed I'm still looking for a chairperson for this project. "Master Chef" **Carl Bertolino** has offered his services to the chairperson, and I'm sure you'll get alot of support from the membership. If you're interested in chairing this project, please contact me or **Pete**.

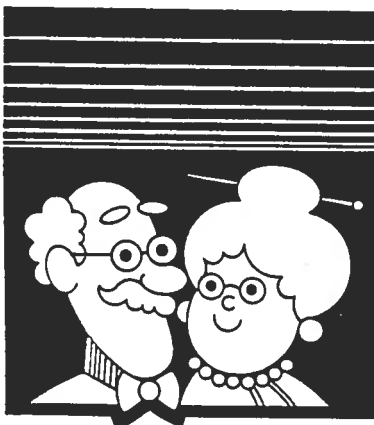

Powerderhouse Repair - Peter Jamieson has volunteered to run this project. He has been in touch with The "Powderhouse Neighborhood Group" and will be making manpower calls for people to give him a hand repairing a railing on the Powerderhouse. If you're interested please get give **Peter** a call.

More information will be available at the September G.M. If you have any ideas about new Community Development Projects, please give me or **Peter Sorrow** a call.

Lynda Walsh
Community Development VP

CHAIRMAN NEEDED

ELDERS DAY

SHARE

SECRETARY'S REPORT

WELCOME, NEW MEMBERS!

At the August GM, four new members were sworn in to the Chapter. They are *Steve Tingle, Tracy Clark Sherry Duart* and *Julie Grant*. On behalf of all of us, welcome to the Foxboro Jaycees!

SUNSHINE COMMITTEE

Sadly, condolences were sent to Dave Britton and his family on the loss of a close family member. Get well wishes have been sent to Tina DiCicco wishing her a speedy recovery. Congratulations go out to John and Cheryl Dillon as they prepare for their new arrival!

NEW CHAIR PEOPLE

Call Night - Mark Emery
Christmas Tree Sales - Pete Jamieson
Clam Bake - Kenny Wills
Powder House Repair - Pete Jamieson
SHARE - Lynda Walsh
Volley Ball - John Zarella

CHAIRPERSON NEEDED . . . INVENTORY COORDINATOR

I am looking for a person willing to call each member on the roster to determine what type of inventory this Chapter has in its possession. Many people have been gracious enough to store items in their homes, however, I need to determine what we have and who has it so that duplicate purchases are not made. If anyone is willing to chair this project, please call me at 543-8526. Thanks!
(By the way, did you know that we have a Polaroid Camera?)

AUGUST AWARDS

Project of the Month - Council on Aging Painting Help - Cathy Hickey did an excellent job, as usual, with this project as it ran smoothly and was a success!
Jaycee of the Month - Dave Britton has taken on many challenges and has contributed greatly to our Chapter!
Frog of the Month - Dave Brown has the honors this month! Need I count the reasons?

NOT ELSEWHERE CLASSIFIED

Does anyone have Jim McNeil's stainless steel pot from the Chilli Fest?
At the August GM we had a great turnout: forty-four members! Hope to see you all at the September GM!!!

Lauren Bonneau-Krug

WAYS & MEANS

STEVE KRUG

HAUNTED HOUSE 1996:

"THE HAUNTED MUSEUM"

Joe Catalano is still looking for help! If you have any ideas or are interested in lending a hand, give Joe a call at 543-3916. Manpower calls will be going out to everyone very shortly!

HAUNTED HOUSE CONCESSIONS

Anyone interested in helping with this year's Haunted House Concessions should call Cathy Hickey at 543-4046!

CHRISTMAS TREE SALES

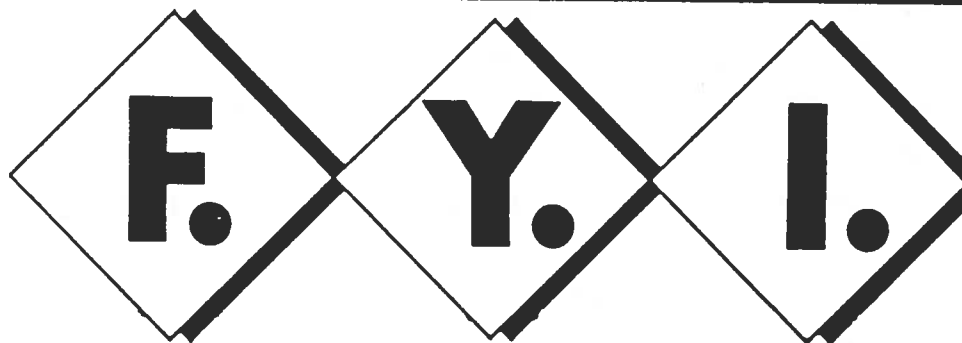

Pete Jamieson has offered to chair this project! Although it seems a long way off, the trees must be ordered well in advance. Thanks, Pete, for taking on another project!

SOFTBALL CHALLENGE

SHOW YOUR SPIRIT
FOXBORO VS. TAUNTON JAYCEES
SUNDAY, SEPT. 8TH, 2:00 P.M.
JAYCEE FIELD
COOKOUT TO FOLLOW AT HEBERTS
BYOS (Stuff)

Please bring soda and what you'd like to eat.
Grill provided and beer may be purchased for .50 per cup.

If interested call Fred Badger (339-4760)

USE OF THE COMMUNITY CENTER

We can use the Community Center for our projects, however you must arrange in advance, with Dorothy Ferguson (543-8209). Dorothy is the keeper of the calendar for the club.

Also, in general, we are expected to pay rent when we use the center, with exception being for community projects (such as SHARE, Fruit Baskets).

When renting the hall, understand that the rental is to be part of the budget for the project. Have our Treasurer pay the rent to the center.

Thank you.

Dave Brown, Meetings & Programs

Haunted Museum 1996

Hello from the Museum De' Macabre, The State has had us jumping through hoops to get things turned on and operable.

For those who have not been to a meeting yet let's catch up.

The Dates are: Oct 10th Family Night

Oct 11,12,13,17,18,19,20,24,25,26,28,29,30.

The theme this year, if you haven't guessed, is a Haunted Museum, different time periods, different museums, different scares.

We have taken the house to a new cultural level this year with the museum idea, a new level of sophistication, NOT.

The whole idea behind the house this year is fun, the ground rules have not changed much and we need everybodys help this year.

This is our project, the one that fills our coffers for the whole year, the one that allows us to do all the good for Foxboro that we do, the one that makes the dreams of all we help come true.

Attached find a contact Matrix for everybody you may need to speak to regarding Haunted House.

The House is broken up into areas with chairmen in each area to help you, the individual, help us the chapter, run one of the best Haunted Houses we have ever had.

We as a chapter have one of the, if not the largest, Non-Profit Haunted House's in the State, Our CPG has been used to start other houses in other States, that has to be one of the greatest compliments given to any project, anywhere, anytime.

In closing, we all need each other to pull together and run one of the scariest, most fun houses anywhere.

See you in the museum.

Joe
