FOXBORO JAYCEES HAUNTED MUSEUM A.D. 1996

# NOTES FROM THE PRESIDENT . . .

Well, October is upon us and we all know what that means! I truly hope that each and everyone of our members comes out in full force to the Haunted House. For those of you new members, and as a reminder to all other members, this is the project which pumps the life into our entire year. If we want to have a successful year we all need to pitch in to do everything we can until the end of October. Please think of the cause and do everything you can.

Sheri Duarte will also be looking for help for Elder's Day which is a fantastic C.D. project. I encourage everyone to get involved. There are an abundant number of Christmas projects coming up which Lynda will be looking for chairmen. These projects are both fun and heartwarming and prime pickings for both new and experienced members.

Steve Krug will be looking for help to celebrate the ending of the Haunted House. Chris Hebert will be looking for chairmen for the upcoming ID projects such as the Progressive Dinner and Kids Christmas Party.

Hopefully Mark Emery's call night will bring some new members for the Haunted House.

I hope that I see you all in October!

Your President,

Beth Maddestra

## FROM THE EDITOR . . .

*In as much as our President wasn't particularly wordy this month, there was plenty of space left on this page for a few quick notes.*

*My continued thanks to the Board members and other contributors to the Wise Fox for your punctuality in getting your articles and reports in on a timely basis. We have all been busy as usual, but an on-time Wise Fox helps keep the entire Chapter well informed.*

*Thank you all for your comments and compliments on the Fox. Even the criticism, while very limited, lets me know you're paying attention and atleast looking at each issue.*

*My apologies to those of you for whom I have not yet gotten your degrees of Jaycees changes in the roster. They will be done for next month, I promise. Also, if there are any spelling, address, or phone number corrections to be made for the roster, please do not hesitate to let me know.*

*Thanks for your continued support!*

Tom Sawran

**Share Program - Chairman Needed...** I am chairing this project for the time being. However, I would like to see someone step up to chair this important project. Thanks to **Cathy Hickey** this project is running smoothly, and with the help of others it can continue to do so. If you're interested, please contact me or Pete Sorrow.

**Road Race 1996 - Jim Hebert** and his committee did a super job on this great project. To quote the Foxboro Reporter "The Jaycees have never stood taller". I was very touched by the support Jim had from the chapter as well as the community on this project. Congrats Jim and We Love Ya Chico! We raised about \$13,000.00 for Tina.

**Nativity Scene Repair - Chairman Needed** **Carl Bertolino** would like someone else to chair this project. The scene is ok to be used this year, however if someone would like to take the time to take a look at the pieces and maybe do some small touch-ups it would be appreciated. Carl has made contacts and has estimates on fixing some of the pieces. If you're interested, please contact me or Pete Sorrow.

**Jaycee Signs - Mark and Sandy Emery ...** Mark has placed an order for the signs. As soon as they come in the Emery's will be looking for help to put them up.

**Camp Lincoln Hill Repair - Ken Wills** is putting this project on hold until after the Haunted House has run. He will be looking for help in November.

**Youth Basketball Clinic - Pete St. Laurent** has had a great turnout for the clinic on Monday and Wednesdays. Who knows, the Foxboro Jaycees could be responsible for training the next Michael Jordan.

**Bandstand Dedication Plaque - Ken Wills** should have something together to take to Norwood Trophy soon. We will be dedicating this during the Carolling on the Common.

**Food Stand Help - Knights of Columbus Food Stand** needs help. If you're interested contact Al Ciardi at 543-5756 or John DiPietro at 698-2525.

**Elders Day - Sheri Duarte** has volunteered to chair this project. She will have a sign-up sheet at the October G.M. The date has been set for November 16, 1996.

**Powderhouse Repair - Peter Jamieson** and his committee have bought the lumber and cut it. The Powderhouse group are painting it themselves. He will be replacing the railing on October 5th.

**Policemens Memorial - Peter Jamieson** has been talking with the chief. He has expressed an interest in having a Memorial for fallen officers on the common just as the Firemen have. The board has approved a \$20 fact finder for this project. Pete and myself are meeting with one of the officers on Thursday October 3rd. More information will be available at the G.M.

**Winter Common Upgrade - Chairman needed.** This is a project where we add a little something to the common for the holidays.

**Sand for Seniors - Chairman needed.** Hopefully this winter won't be as tough as last year, but if it is I'm sure the seniors of this town appreciate our sand so "they stop falling down".

**Nativity Scene Set-Up - Chairman needed** to bring the (hopefully) newly painted figures to the common for display for the Christmas season.

**Santa Phone - Chairman needed** to help Santa. Word has come from the North Pole, the big guy needs our help once again.

**Santa on the Common - Chairman needed** to assist Santa by getting him to the common for his visit with the children and Mrs. Claus to make Hot Cocoa for the children of Foxboro .

**Christmas Carolling - Chairman needed** The town would like us to again run the Carolling on the Common.

**Fruit Baskets - Chairman needed.** To help the Discretionary fund by making up the fruit baskets for the group.

**Adopt a Kid for Christmas - Chairman needed .** We usually adopt a girl and a boy. The chairman and committee would be responsible for doing the shopping for the two tots.

**For Your Information:**

I received a call from Ellen Pillsbury she is the head of project SPOKE in Foxboro. She informed me that her students, who are mentally challenged can help us doing small tasks. Please keep this in mind for any project where perhaps stuffing of envelopes, folding of flyers, or any other small time consuming tasks need to be performed. A staff member will be supervising them at all times. She can be reached at the school at 543-6643 or at home 698-0540. The students are available from 9:00 a.m. to 1:00 p.m.

**Just a Reminder**

Hope to see you all at the Haunted House. We all need to support this project so that the Community Development area of the chapter can fund all of the projects listed here.

Thanks for everyones help this month!

**Please join with me  
in welcoming the  
following people into  
our chapter.**

*Sandy Smith*  
*Activation Chairman*

*Kim and John*  
*Griffiths*

*Anniversary Date: 12/95*

Anyone that went to the Haunted House last year will recognize John as Gevees from the Blue Hill's Dining Room (Remember, "Dinner is Served Madame"). John, has been devoting a lot of time again to the Haunted House as this year's Creative Director. He has been working with chairpeople developing room ideas. John admits to being bit by the acting bug but doubts that he's ready to move to Hollywood (YET!).

John works as a computer analyst in a variety of different settings. He is currently negotiating a possible new contract that would leave him working at Rhode Island Hospital where he is currently.

John and Kim were first introduced to each other by Derek House whose sister is married to one of John's good friends. A few years ago, Derek invited John to come to the Haunted House where a number of their friends were busy working on a room. John was pretty impressed but it took another year before he came during a performance. He worked a night in Frankenstein's room (alias, the Pin

Head Room), where he spent the night chained to the ceiling with Carl throwing him around. It's amazing that, after that, he came back.

After the year John spent as Gevees, the Blue Hills Chapter paid for Kim and his memberships into the Foxboro Jaycees during the breakup party - what John refers to as being drafted since he was too excited about winning Best Room to realize what was going on until it was too late.

Kim, who has not been as active as John, is very busy going to school to earn a nursing degree. She is a student at Laboure College which is associated with Carney Hospital. She is also working at Norwood Hospital as a Certified Nursing Assistant. When not in school, Kim loves to work on wood crafts and hopes to squeeze in at least one night of the Haunted House this year into her busy school schedule.

Kim grew up in Foxboro unlike John who was originally from Dedham. They live in Franklin now, which distances them somewhat from most of our community projects.

Together, John and Kim have sold Christmas trees and worked at the Haunted House (Kim was a rear guide the night John got thrown around by Frankenstein) They'd love to go on the canoe trip some year. John helped at this year's road race and took the CPR course. It's great to see them become involved.

*Tracey Clarke*

*Anniversary Dates: 7/96*

Tracey was looking through the Valupak when she saw we were looking for people. She called and said, I'm pregnant, do you take pregnant people??? Tracey thinks the group is great, she can't believe the number of things that we do. She's tried to find someone to go Christmas Caroling with her for years, so she's real

excited about a lot of our winter projects. For two years, Tracey has also tried to see the Haunted House. She stood in line both times for over an hour and gave up. This year, all though she's expecting her first baby at the end of November, she can't wait to help out either in concessions, selling tickets or where ever she can.

If it looks like Tracey is ignoring you when you talk to her, it's a pretty good chance that she isn't hearing you. Tracey would like people to know that she is hard of hearing so that people will understand if she gives you a totally whacky answer to some question. Watch out, she reads lips!!

Tracey grew up in Foxboro. Her husband Ed (who Tracey is working on to join), grew up, nearby, in Wrentham. Ed teaches Special Education in Milbury. Tracey is a Vice President (Partner) in her own business, Absolute Backorder Service. It is a company that buys back issues of periodicals and sells them to libraries that need them to complete their collections. For the past two years, Tracey has worked nights and weekends starting the business which will officially open on September 30th. Tracey considers herself lucky in that she plans on bringing her new baby (they've been told it's a girl) to work with her.

Tracey and Ed have just moved into a new home on Spring Street. She says it's a small bungalow but it has a lot of nice land. They've renovated and redecorated so it no longer looks as if June Cleaver will walk out of the kitchen at any moment. With all this, Tracey has still found time to participate. She and Ed attended the Clambake, and Tracey helped at the road race and with the Kof C food stand.

Tracey admits to being "artsy/fartsy" when she has the time. She loves to draw portraits. She also loves Kareoke, writing, and dancing.
