Hello Members,

Please join me in welcoming Scott Frasu, our newest member. Scott was sworn in at the Haunted House Clean-up day in July.

The membership area could use your help. Dave Britton has volunteered to run our first call night this year, and is hoping to get many of you out to help. A couple hours on the phone talking with people about the Jaycees. One of my main goals this year is to increase membership, and with your help it can be done. Elise Behn and Julie have added several new projects to their list this year, but it comes down to you to help out. Talk up the Jaycees wherever you are, at work, church, sport events, whatever; share your experiences with others and they will want to join. Bring a friend to the next GM, offer to pick them up.

The ID Area is pretty full this upcoming month. Andrea Reine has plenty of tickets left for the PawSox Game, always a great time. The isn't a bad seat in the house, nice event to take the whole family to. Give Andrea a call if you want to reserve tickets. Kathy Brady will be running CPR Training for us, an all-important project. Ask yourself this question; if something happened to someone close to you, would you be able to help? Do you know where to begin? Just to be on the safe side, sign up to attend this course.

The CD Area is still busy with Concerts on the Common, and Movies on the common. A few projects will be on the agenda as Chairman needed, jump in and do something good for the community!

Ways and Means is looking forward to the Haunted House. Tom Whiffen has already had his first couple meetings and has a cast of characters that have taken charge of several sub committees. Feel free to come up to the camp any time to lend a hand with a list of tasks or hook up with someone running a cabin.

Congratulations to all who have been involved this month. Look forward to many up coming projects for the month of August, see more details inside.

*Working with you and for you.
Lynda Walsh, President*

Thank you note:

From the Foxboro Food Pantry:

The Foxboro Discretionary Fund Food Pantry, would like to thank the Jaycees for taking on the project of having our shelves built at the Senior Center, for our food.

We especially would like to thank Kenny Wills for cutting out the wood for the shelves, he did a great job!

We would also like to thank the four volunteers that helped him put them together, we don't have the names. (George Gould, Tom Whiffen, Kathy Brady, Andrea Cummings).

If anyone would like to see them, come on down the Senior Center, and take a look.

Thanks again for doing this for us. By the way the shelves hold 96 postal boxes – lots of food.

Coordinator

The first of several call nights will be happening very soon thanks to Dave. We look forward to having Dave head this project and teaching some of the newer members the skill it requires to have a successful call night.
