

Wise Fox

A Monthly Publication of the Foxboro Jaycees

October, 2002

President's Letter

It's hard to believe, but we are at the halfway point of the year. I would like to thank my board for making my job easier by consistently excelling at theirs and also making sure we are keeping the Foxboro Jaycees an organization to be proud of.

It's Haunted House time...the time of the year when stress levels are high, tempers are short and there just doesn't seem to be enough hours in the day. We have 2 major projects running right now. The first is the Mini Haunted House in Walpole, which is looking awesome and will be open by the time you read this article. Great job to Dave Fisler and committee for getting this up and running again this year! The second major project, and our largest fundraiser of the year, our main Haunted House in Foxboro. I have spent a good deal of my waking hours (and sleeping hours) up at Oak Street and have seen some incredible creativity and camaraderie. There is some new blood down there pushing all the rest of us to really make sure we keep up with their enthusiasm! This will be a house to be proud of! Great job to Derek, KB and everyone else who spends countless hours making sure we have the means to run the chapter through the rest of the year.

FOXBORO Jaycees

I would also ask that you look ahead to November and December and help out, or possibly chair, one of the many Holiday projects coming up. This is where the town gets to see, first hand, why we need to use the Camp Lincoln Hill property and how it personally affects the betterment of the town in which they live.

We will also be offering a number of learning projects in the next few months in the area of Individual Development. Please take advantage of these great opportunities that will surely be a benefit to you in the future. Just one of the many benefits of being a Foxboro Jaycee!

I'm really excited about all the new members that our incredible Membership team has brought into the chapter. These are real members who are not only helping out but also truly making a difference in the short time they have been in our chapter. I think our official total stands at 19 new members sworn in!

It's certainly a hectic but fun time to be a Jaycee in Foxboro!

Hope to see you at one of the Haunted Houses,

Tom

# From the Editor...

I hope that you have enjoyed the last few issues of the Wise Fox. This newsletter is an excellent way of getting the word out about any project that you are running or assistance that you may need with a project. With all of the holiday projects that are coming up, the Wise Fox is a great way to get a headstart on preparing for those events.

If you have an upcoming project that you would like to advertise, please contact me at (508) 543-6231 or via e-mail at [michael.d.savage@worldnet.att.net](mailto:michael.d.savage@worldnet.att.net). I'd be happy to work with you to develop a piece for you—when's the last time that you could advertise for free? It's just another benefit of being a Jaycee member!

Hope to see you all soon!  
Helene

# Community Development

Vice President Kathy Brady, Director Fred George

October, 2002

**September 11 Memorial** (Lynda Walsh & Bob Gillis) – The pinwheels were perfect on this blustery evening as hundreds of folks gathered in true 'community,' ideal in its unscripted simplicity: a dignified and unqualified success.

**Little League Dugouts Renovation** (Chris Hebert) – We are still awaiting word on date this month for demolition of the old dugouts and installation of new benches for which we'll be putting together a work party to assist the baseball folks.

**SERVE-N.E. (new chair sought)** – please contact Andrea Cummings if you'd like to learn about SERVE and how to run or assist with this project. The SERVE co-op continues each month to offer packages including fresh fruit, vegetables, and quality meats for great price: call Andrea at home or by the Jaycees line at 543-0712 to order.

**Holiday Share** (Steve Fruzzetti) – A first meeting was held on the 19<sup>th</sup>, Steve and committee continue to investigate volunteer opportunities to help serve meals during the holidays in our local area. Contact Steve if you have suggestions or want to be involved in the development and execution of this new project.

**Teddy Transfer** (Monica Rigamonti) – Bears are available for agencies who provide comforting toys to children in frightening situations. If you learn of such a need or possible collaboration in our area, please contact Monica.

**Nativity Scene Repairs** (Dave Conti) – Yes, it's time to begin preparations for the holiday season. Dave will be evaluating the condition of the nativity set and overseeing any necessary restoration work. He promises there will be no severed limbs, elaborate costumes, nor any horrific embellishments to the traditional scene....

We will be looking for chairmen for a large slate of CD projects in the next couple months. These are excellent 'starter' projects for newer members, with good CPGs and veteran Jaycees to help guide the way. Please contact Kathy or Fred if you are interested or even just curious about any of these:

**Sand for Seniors** – delivering buckets of sand for icy sidewalks to local seniors.

**Santa Phone** – Santa and his elves phone children to discuss Christmas wishes.

**Caroling on the Common** – annual holiday sing-along with cookies and hot cocoa.

**Santa on the Common** – Santa and Mrs. Claus visit the Common to chat with kids.

**Fruit Baskets** – produce baskets for Discretionary Fund holiday deliveries in Dec.

**Adopt-a-Kid for Christmas** – purchase gifts for a kid or kids through local program.

## **President's Letter**

Another successful year of haunted houses...we did it! It's hard to believe it's finally over after so many months of preparation and hard work. Over 4,700 people in the Big Haunt and over 2,200 people through the mini-haunt! Congratulations are in order to the entire committee of both haunted houses. Especially to those people who pulled the iron-man schedule of working at both. Great job to both Chairmen (Derek House and Dave Fisler) and their respective committees. We now have most of the money we need to fund the rest of our projects. The only thing left to do is clean up. The Walpole Mall will be done by the time you get this Wise Fox, but the camp needs a lot of work. If we are to keep our good reputation with the town and especially the Recreation Board who let us use this property...we have to make sure we make it look as though no one was ever there. So, if you can spare a little time...please go down to the camp and see how you can help.

Hopefully, most of and recuperate during have a few projects

of Christmas projects just around the chairmanships available. Please call the to see if you can help. I would love to see some new faces running projects around Christmas time. There are great CPG's (Chairman Planning Guides) available for almost all of these projects and there will be plenty of help from other Jaycees who have either chaired or participated in the past.

# FOXBORO Jaycees

you will find the time to rest the month of November. We this month and a good number

corner. There are still a number of

VP or Director in those areas that you are most interested

We have a new board member this month. George Gould has taken a leave of absence to be able to take care of some things in his life. Good luck to George and we hope this leave will be just what he needs so that we can see him again soon. Dave Fisler has been appointed to the board as Dues Director. Dave is a former board member who brings experience to our board and we're glad to have him. We are slowly catching up but are still dealing with all the dues issues so if you get a dues notice or see a label in your Wise Fox that says your dues are due...please send your dues check in as soon as possible. Thanks.

Looking forward to seeing you all again at the Haunted House breakup party. It will be a great time of food and laughs. It's the chapter's way of saying "thank you" to all the members and others who worked so hard to make this year so great.

Thanks again,

Tom

The guides were funtastic! TO each and everyone of you that contributed time this year in what ever way you could THANK YOU!

A special thanks to the crew who worked both houses-you guys and gals are very special. Thank you.

Who's Who

by Linda Magovern

I would like to take this opportunity to introduce you to a few new members....

Frank Jagg is single and joined with his girl friend, Sheryl Connors, at the Sept. GM. Frank has lived in Foxboro most of his life. He is a laborer that works with David Conti. Dave got him interested in building the Haunted House museum. Frank found that most of his friends are Jaycees, so he joined as well. He is looking forward to doing Christmas Tree Sales and the nativity display next month. He likes to hunt, fish and go camping. Dave reports that Frank is an awesome singer. Frank likes to be a ham, and many of the Haunted House Newspaper articles mentioned his Butcher Shop act.

Sheryl Connors is single and she was introduced to the Foxboro area through dating Frank. David Conti sponsored them into the Foxboro Jaycees. Sheryl has enjoyed painting the Haunted House museum. She discovered that the Jaycees work for the community, do raffles and do good causes and fundraisers. Sheryl explains that, "What with the world the way it is that she wants to give back to the community." She has been rear guiding with Tami Comeau. Sheryl looks forward to selling Christmas trees and working on the Baby New Year projects. She works in Boston at Mass. General Hospital as an office space planner where she prices vendors' new products and has done surveys for eleven years. Sheryl enjoys fishing, hiking, camping and working with children on crafts. Her talents at planning events will be very useful on Jaycee projects.

Al Silveira was born in Portugal and has lived in Providence for sixteen years. Julie Grant sponsored him into the Jaycees. Al took his time and participated in camping and white water rafting activities for a year before joining. Al has gone rafting several times each summer for four years. Now he works weekends at the Haunted House. Al is a mason by trade for ten years. He might help rebuild the Camp Lincoln Hill camp fireplace outside of the Dining Hall. He is always willing to try something new once. Welcome Al.

Rob Silver is married to Lynne and they have a four year old son, R.J. Rob has lived in Foxboro for nine years. He grew up in Hyde Park and his wife is from Roslindale. They wanted to live outside of the city. Rob has volunteered with the Local 103 IBEW Boston union doing electrical work, parades and Dollars Against Diabetes. Rob has been a union electrician for eleven years. He was referred to the Foxboro Jaycees by Brendan Pentilla (thanks, Brendan!). Rob enjoys golf, working on his house and playing with his son.

Welcome Frank, Sheryl, Al, and Rob to the Chapter!

SERVE-N.E. (new chair sought) – please contact Andrea Cummings if you'd like to learn about SERVE and how to run or assist with this project. The SERVE packages include fresh fruit, vegetables, and quality meats: the special holiday bundles are incredible – all the fixin's for dinner at an unbeatable price. Call Andrea before 2nd Monday at home or by the Jaycees line at 543-0712 to order.

Sand for Seniors (Lauren Bitar) – We're due for a rough winter season; LB will be heading this up, but we're also looking to match her up with one of our newer Jaycee members to assist as a co-chair and learn about this great project. This is an excellent 'intro' project, delivering buckets of sand for icy sidewalks to local seniors.

Nativity Scene Repairs (Dave Conti) and **Set-up** (Dave Conti & Greg Dickerman) – Now that the Haunted House is being packed up for the season, Dave will be preparing the nativity set for the holiday season. Hands will be needed to assist in getting the set up to the bandstand just after Thanksgiving.

Community Development (cont.)

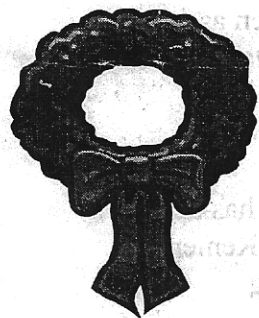

The following projects are as yet unclaimed - these are excellent 'starter' projects for newer members, and Fred and I will help set you up with good CPGs and veteran Jaycees to help guide the way. Come on, give it a go! Don't hesitate to grab the phone and step up for your favorite, because we'll be making more calls before the Nov GM....

We ask for volunteers to cook part of a meal or host part of the night at their home.
