# From Our President...

As I look toward my last General Meeting as President I am amazed at how quickly the year went by. I'm extremely proud to have been an integral part of an organization that is not only the best around but has the best members around. Not to say we don't have our problems...that is inevitable in any large group, but we somehow overcome our differences and come together to put forth an incredible amount of energy into everything we do with tremendous results. Sometimes we forget that this isn't our profession but rather our passion. How do I know we have a great chapter? I have yet to go to a Massachusetts State Jaycee meeting and not feel like the other chapters were jealous of what we have. In fact, usually they come up and tell you they wish their chapter were more like Foxboro. Let's never stop striving to be the best. The people who will reap the benefit of that goal will be the town of Foxboro and community. We have something very special and I'm glad I'm a part of that.

As the Jaycee year closes, there are still many projects that need chairman and we will need a strong show of support in order to be successful. Our Annual 5K Road Race and Founder's Day activities are two very big events that are just around the corner. We are going to need a lot of help with the Road Race this year. There will be 2 races - a 5K and a 10K. Kris is looking to raise money to support Rett's disease research. The race will be run in the honor of a little girl with Rett Syndrome named Mya Campbell. If you would like to be a part of this great cause - please give Kris Long a call. We are also going to need plenty of manpower during Founder's day. From the Float to the Glowstick Sales we have 8 projects running that day. We were a little short staffed last year and really need your help to relieve some of our workers. If you would like to help please give me a call and I will make sure you are pointed in the right direction to be well utilized that day.

I would like to once again thank my board for the incredible job they did this year. I have seen a number of board members really step up to be leaders in the chapter these past 12 months. If you get a chance please let a board member know that you appreciated the job they did. Thank you to Helene Savage for giving us this great publication every month. It's was nice to know that the Wise Fox was always going to be done on time and in a professional manner. I would also like to thank each member who stepped up this year and took on projects. We ran over 100 projects in 12 months...we couldn't have done it without your help.

I would like to give my best wishes to the new board coming in this month. You have a large task trying to fill the shoes of this year's board, but from what I've seen it's a young excited group that gives it their all. I look forward to serving with you this year to come.

Thanks for giving me the opportunity to be President of this Chapter.

Sincerely,

Tom Whiffen

Wise Fox

# Community Development

Vice President Kathy Brady, Director Fred George  
April, 2003

**Palladino Spelling Bee** (Helene Savage) — March 20 - We sponsored three teams in the hugely successful and very fun scholarship fundraising spelling bee. Congrats to Monica Rigamonti, Jane Webster, Lynn Freerksen and Wendy Zarrella who made it to the championship round — despite everyone else's inability to correctly spell and pronounce their names....

**Pancake Breakfast** (Amy George & Kris Long) — March 23 - By all accounts another tremendous success; food, folks, fun, and funds. Again well over 700 people were served breakfast by a huge crew of Jaycees and young basketball players; kudos to our chairpersons, and thanks to the Blue Wave for coming out in force in support of the project.

**Easter Seals Volleyball** (John Zarrella) — March 29 - After overcoming communication difficulties with our friends in Taunton, a small but determined team of players competed and won all three matches in this annual fundraiser. Yes, one vanquished opponent was overheard lamenting, "That was embarrassing, they had chicks and old guys." Ah, the life-lessons taught and learned in community service projects...

**Sand for Seniors** (Lauren Bitar) — Lauren is composing a note to send to all this season's participants, closing out business for the year. Preliminary count suggests that an astounding 90 deliveries were made to over 60 different homes.

**SERVE-N.E.** (Cathy Kelson-Reid) — Cathy has stepped up to take the reins on this valuable project, currently working on a smooth transition with Andrea after two years' excellent stewardship of the food co-op program. Food packages will start gearing up for barbeque season — some of the most popular selections of the year. Check with Cathy to see what's in store and to place an order.

**Teddy Transfer** (Monica Rigamonti) — Bears are still available for agencies who provide comforting toys to children in frightening situations.

**Project Enduring Freedom** (Elise Behn) — We now have numerous Jaycees, family members, and friends on active duty in our armed forces. Elise has been gathering addresses and researching what to send and how; greetings from home will soon be on their way.

**Youth Scholarships** (Tom Sawran) — Committee members are reviewing the student applications, with results to be compiled and reported back to the HS Guidance Dept. just about the time you're reading this. Once again we will be awarding 3 generous scholarships to graduating Foxboro students.

**Candidates Night** (Kathy Brady) — **Apr. 24** — Our annual community forum for candidates for local office is set for 4/24 at the FCA studio. FCA takes care of the technical stuff, but we will need some hands on that night to keep everyone running on schedule. Contact Kathy to get involved.

**Mother's Day Essays** (Cathy Kelson-Reid) — Arrangements are all set with the school department and the 3<sup>rd</sup> grade teachers — look for a sign up sheet at the GM to join the reading; these essays never fail to be dear, poignant, and hilarious all at once.

**Senior Appreciation Day** (Dave Fisler) — Dave is assembling a committee to plan this year's festivities. Watch for more details...

# Community Development (continued)

**Easter Egg Hunt** (Amy George) – **April 12** - The eggs are in, the Bunny has been notified, and the Common has been secured for April 12. Please contact Amy to assist with the Saturday morning treasure hunt.

**Founder's Day Registration** (Fred George) Fred is coordinating with Kris Long the paperwork necessary to register us for all of our Founder's Day activities.

Founder's Day is just around the corner, chairmanships are open for the following;

**Founder's Day Manpower**

**Founder's Day Parade**

**Road Race** (Kris Long) – **June 14** - Work is well underway for the 'Run for Mya,' including a new 5K course and the addition of a 10K route. Kris has some exciting new ideas, and has been working feverishly on the approvals process and building relationships with new community partners. There's plenty to do, and much manpower will be needed; please contact Kris to lend a hand.

**Concerts on the Common** (Linda Strano) – We are extremely fortunate to have a colleague with Linda's experience and enthusiasm to coordinate our summer concert series. Look for the concert lineup and signup sheets in coming weeks.

**Holiday Lights on the Common** – We are still holding out for safe and comfortable conditions for the removal of the last holiday lights from the big trees.

# Membership

**Vice President Lauren House, Director Dave Conti**

At the April GM the Membership, will elect their new Membership Vice President and Director and I will complete my 4<sup>th</sup> year on the Board of Directors. The Foxboro Jaycees provide their members with the opportunity to improve their community and create a larger circle of friendships. Over the last year the Chapter has seen the membership grow by 27, Regulars, Associates and a special honorary membership. I have had the pleasure of meeting the majority of these Individuals and working beside them at various projects. I want to thank these new Members for joining our Chapter and bringing to it strength, enthusiasm, ideas and friendships. I would also like to thank the "not so new" Members for their guidance, experience, energy and friendships. I look back at this year and find that I have learned a lot. I look forward to meeting the new Members that are still yet to come. Thank you for allowing me the privilege of being this past year's Membership Vice President.

**Who's Who? – Chairman Needed:** As we start the new year we will be changing the Guard on the projects that run continuously. Thank you to Linda Magovern for running this project. We are looking for someone to step up and take the task of introducing new and old Members to the Chapter via the Wise Fox.

**Activation/Mentor Program – Chairman Needed:** Thank you Amy for taking on this project as a new member. I am sure that you will have much insight and experience to pass along to the new Chairman for next year. This position helps to provide the Chapter with matching New Members to Experienced Members in order to facilitate activation and Mentoring.

**Web Site Page – Bob Gillis:** Bob is our Website Guru, should anyone want to post anything on the website in regards to their projects please see Bob. The website is a great tool to keep Members and the Community informed about who we are and what we do. Thank you Bob for the great job over the last year. The website can be found at [www.foxborojaycees.org](http://www.foxborojaycees.org).

**Haunted House Membership Booth Data Entry, Lauren House:** I am still accepting applications for Individuals that would like to apply for the data entry positions available.

**Pancake Breakfast Membership Booth, Bob Gillis:** Although no new prospects for Membership were found, Bob did enjoy meeting and talking with the supporters of the Breakfast. Thank you Bob for stepping up to ensure that there was a dedicated person for Membership purposes.

**Easter Egg Hunt Membership Booth, Chairman Needed:** We are looking for an Individual to set up a small membership area and be available to speak to potential members during the Easter Egg Hunt event on the Common on April 12<sup>th</sup>. Please let Lauren know if you are interested.

**Concerts on the Common Membership Booth, Bob "Membership Man" Gillis:** Bob has volunteered to organize manpower for the membership booth during the Concerts on the Common. This can be done while enjoying the music of the evening. Please see Bob if you are interested in volunteering for a night.

**Activation Apparel, Chairman Needed:** We have run low on t-shirts for the Chapter (currently only size medium is available) and there has been some interest in Baseball Caps (similar to previous ones). With the growth of our Chapter there is continuous need for seasonal apparel so that the Blue Wave can be seen. Children T-shirts are also available for \$5.25.
