

Wise Fox

A Monthly Publication of the Foxboro Jaycees

September 2004

Dear Friends,

Can you believe that the summer is basically over? I can't believe it is already September! I guess time flies when you are having fun (and in my case, not working)!

Well, if the summer is basically over, then we all know what that means: Haunted House time! I will try my best not to constantly talk about Haunted House, but we all know how important this project is to our chapter. We need all the help we can get. That does not just mean help when the show opens in October. We need help now. Construction and cleanup are just a few examples. You don't need to be a skilled craftsman, although that is very useful too. We have jobs for everyone. Believe me, if I am able to use a screw gun and hang some sheetrock, anyone can! I can honestly say that I have a greater appreciation for this project because I am helping to build it. It is amazing to learn and try new things, things that I would never do in my day job! So, if you are able to even help out a little bit, that would be FANTASTIC!

Congratulations go to Greg Dickerman who made it home safe and sound from serving overseas. Our thoughts and prayers for a safe and quick return go to Deena Cummings who is leaving in September. Thank you both for serving our country.

I hope everyone had a great summer, filled with lots of activities and fun vacations. Thank you to all those people who ran wonderful summer projects. So many of us had fun camping, hiking, whitewater rafting, and playing volleyball, to just name a few. No time to rest, we still have so many more projects that need chairman. Take a look through the Wise Fox and see if anything interests you. Finally, come out to a meeting and see how we are doing. I look forward to seeing a lot of people at the next GM.

Sincerely,
Monica Rigamonti

From Bob:

On September 11, please take a few moments to remember, and take the time to tell those closest to you what they mean to you. If you are interested, there is a very powerful memorial of 9/11 on the Jaycee web site, along with a column I wrote after Sue and I walked Ground Zero a week after the attacks.

Chairing projects, serving on the board, attending meetings... All of these count toward advancing your "degree." If you'd like to track your progress as a Jaycee, please see Dave Reid. You can also download the Degrees form from the Jaycee web site.

Networking-Bob and Sue Gillis

There is a link on the Jaycee website that lists any Jaycee who has a business/service and would like to let other Jaycees know about it - our own "yellow pages." If you want your business listed, please see Sue or myself, and you'll be added right away. We also run this list in the Wise Fox a few times a year.
