

**A Monthly Publication of the Foxboro Jaycees - June 2012**

Dear Fellow Jaycees,

I hope that everyone enjoyed the long weekend! We have lucked out with beautiful weather so far and it seems that summer is already here! Summer is my favorite time of year and the best time to be in the Jaycees. There are so many great projects coming up very soon!

**Founders Day is just around the corner on Saturday, June 9<sup>th</sup>!** Thanks to Bob Gillis for organizing the Jaycees in the Founders Day Parade. Please walk with us – it is always a lot of fun! Pam Warren will be chairing Founders Day Concessions. We are hoping for great weather to have a very profitable concessions booth. Thanks to Julie Grant for chairing Founders Day Pony Rides again this year. This is a great project that is always a great fundraiser for the chapter. Vanessa Linke will be chairing Founders Day Glow Sticks this year. We are hoping for a great night with the fireworks and the chance to sell plenty of glow items. Manpower is the key to success for these Founders Days projects, so please consider volunteering a few hours when you get a call to help out.

Another of my favorite projects is also coming up – **Concerts on the Common begin on Thursday June 14<sup>th</sup>!** Max Loew has put together a great lineup and we are excited for the season to kick off in the next few weeks. Dave Brown has also done a fantastic job selling concert sponsorships to make it possible to have a full season this year. Deena Cummings will chair concessions this year and will be looking for some help during the summer.

Finally June wraps up with **Relay for Life on Friday, June 22<sup>nd</sup> through Saturday, June 23<sup>rd</sup>** which will be chaired by Monica Fisler. Please consider being on the team with the Jaycees. It is always a great event and for a wonderful cause.

As you can see from just the projects this month, it is a great time to be in the Jaycees. We have so many projects and plenty of opportunities to get involved, socialize with members, and tell people about the great things we can do as a chapter. Hope to see all of you at an event soon!

Heather
